

VIEW FROM A Helicopter Sunday shows the still smoking debris of a five-block area which burned in Newark, N.J. The fire left a possible 500 persons homeless in the city's predominantly Negro Central Ward. There were no serious

injuries. More than 40 buildings, mostly frame dwellings, were destroyed in the blaze that erupted about 5 p.m. Saturday and was officially declared under control shortly before 11 p.m. (AP Wirephoto)

## Saigon Alerted; New Red Attack Expected

### 'Fire Rusk': McCarthy

WASHINGTON (AP) — Sen. Eugene J. McCarthy says Secretary of State Dean Rusk should be fired and says one acceptable replacement would be Mansfield.

The Democratic presidential candidate also said Sunday that Director J. Edgar Hoover controls the FBI as a "kind of fief" and should be retired.

Turning to Republican Presidential candidate Richard M. Nixon, McCarthy said it was the "old Nixon" who accused Democrats of dishonesty by promising massive and immediate programs to aid the poor.

#### Slaps At Nixon

"About the time you would like to think that Mr. Nixon has come around to speaking rather straight, you know, and using the language as he should," the Minnesota Democrat said, "he then goes back to words like 'dishonest'."

The reference was to Democratic claims in the past that Nixon makes unfair accusations. McCarthy was interviewed on ABC's "Issues and Answers."

Nixon Saturday had called promises of massive anti-poverty spending a "dishonest and cruel delusion" and said he would rather lose the election than join in making such promises.

Nixon is touring the mountain states and collecting Republican governors' views on national and state issues.

**Nixon Tough: Humphrey**  
Vice President Hubert H. Humphrey is quoted by Newsweek magazine, meanwhile, as saying Nixon will be harder to beat this year than in 1960 but that "I if I get the nomination, I'll beat him."

Humphrey is expected to announce Saturday that he will seek the Democratic presidential nomination.

Theodore Sorensen, an adviser to Sen. Robert F. Kennedy's Democratic presidential campaign, said Humphrey had offered the vice presidential spot on his ticket to "every southern governor" except Lester Maddox of Georgia.

**Humphrey Praised**  
Texas Gov. John B. Connally, mentioned as a potential Humphrey running mate, had high praise on NBC's "Meet the

Press" for Humphrey but said he hasn't decided whom to support for the presidential nomination.

McCarthy, again attacking Rusk's stand on the Vietnam war, said the secretary of state should step down. He said Senate Majority Leader Mansfield, D-Mont., for one, would be a suitable successor.

The Minnesota senator said Hoover, 73, has been FBI director too long.

"A police agency in a democracy," McCarthy said, "ought not be kept under the control largely of one man to a point where it develops to a kind of fief, really which is somewhat beyond criticism and outside judgment."

## American Dies In Korea Clash

SEOUL (AP) — Three North Koreans and one American were killed Sunday in the second major clash in eight days in the U.S. sector of the Korean front. Each side accused the other of starting the battle in which three Americans were wounded.

The U.N. Command demanded an investigation by a joint team of observers, as provided by the 1953 Korean armistice. The Communist side ignored a request for an observers' meeting today, a U.N. spokesman said.

The spokesman said a group of at least eight North Korean soldiers opened fire on a U.N. patrol in the 2nd U.S. Infantry Division area of the demilitarized zone.

The patrol returned the fire and intermittent shooting went on for two hours, the spokesman said. Three of the Communist soldiers who had crossed the military demarcation line were killed, but their bodies were apparently dragged back because they could not be found Monday, he added.

A North Korean broadcast said the American force was made up of "over 50 fully armed bandits" who slipped across the demilitarized zone and attacked a Communist guard post near Daiduksan.

On Easter Sunday south of the Panmunjom armistice conference area, Communist ambush killed two American and two South Korean soldiers and wounded two other Americans.

Another American was wounded Saturday while on patrol duty in the buffer zone, the U.N. Command said. Later Saturday, a U.N. observation team investigating the shooting was fired on.

Five Americans have been killed and 18 wounded since Jan. 21, when a North Korean commando group invaded Seoul in an attempt to assassinate President Chung Hee Park.

## King Assassin Hunt Confused

MEMPHIS, Tenn. (AP) — A ranking Memphis police officer acknowledges there are "a whole lot of discrepancies" in official descriptions of the man sought as the sniper slayer of Dr. Martin Luther King Jr.

Asst. Chief Bill Price referred to statements that James Earl Ray, 40, an escaped Missouri convict, and Eric Starvo Galt, first sought for King's April 4 assassination in Memphis, are the same person.

"You don't know what to look for," Price said Sunday as officers here and elsewhere continued their investigation of the slaying. The nationwide manhunt continues.

The FBI issued a conspiracy warrant Wednesday for Galt, then updated their case Friday by saying a fingerprint comparison showed Galt was really Ray.

The naming of Ray in the case caused confusion, primarily because earlier official statements indicate that Galt and Ray were in different places at the same time.

## Astronaut Rescue Pact Is Signed

MOSCOW (AP) — The Soviet Union, the United States and Great Britain today signed the agreement to rescue astronauts and return space equipment or parts that fall outside the country of origin.

## N. Viet Colonel Defects; Gives Assault Plans

SAIGON (AP) — All South Vietnamese army units in Saigon and the surrounding 11 provinces were put on a 100 per cent alert today because of intelligence reports indicating an impending big attack on the capital, Vietnamese sources reported.

American officials did not appear to give much credence to the reports. An American military spokesman said U.S. troops were on the same alert they've been on since the Viet Cong's lunar new year offensive in February.

Vietnamese troops had been on a 50 per cent alert since the February offensive, with half of them allowed overnight passes. Now all troops are restricted to their bases.

The intelligence reports said the Communist attacks would be on the scale of those during the February offensive, when thousands of Viet Cong and North Vietnamese troops infiltrated into Saigon and attacked all over the city.

**Planned For Today**  
Officials reported Sunday that a North Vietnamese colonel had surrendered and turned over plans for another assault on Saigon by 10,000 enemy troops.

The colonel, the highest ranking defector to fall into allied hands, said the assault had been planned for today but some unknown circumstance had resulted in a delay.

Allied forces reported killing at least 135 enemy soldiers Sunday in six clashes within 40 miles of Saigon. Most were in areas where allied forces have been carrying on the biggest offensive of the war, Operation Complete Victory, to root out enemy forces in the 3rd Corps Area.

In the air war against North Vietnam, American fighter bombers returned in force to the skies over the southern panhandle Sunday, flying 151 missions.

**Navy Flyers Score**  
The deepest penetration was by Navy flyers from the carrier Bon Homme Richard. They hit four trucks along a highway 22 miles north northwest of coastal Vinh. The target was 168 miles north of the demilitarized zone and two miles south of the 19th parallel, the northern limit for the bombing set by President Johnson.

The resurgence of U.S. air power was facilitated by a break in the monsoon weather, which on Saturday limited the number of air missions to 94. But the monsoon has begun to break and Sunday there were "light to broken clouds," the U.S. Command said.

The 151 missions was the second highest total of the year, approaching the 160 flown on Friday, before the clouds settled in again.

**Fire Fuel Dump**  
Navy, Air Force and Marine pilots reported hits on communications lines, artillery sites and a radar installation. They also reported igniting three fuel dump fires and setting off numerous secondary explosions.

In South Vietnam, U.S. Marines on a sweep a mile south of the Khe Sanh combat base Sunday made contact with an estimated company of North Vietnamese holed up in bunkers.

The Marines attacked the fortified position and called in artillery support from Khe Sanh. The Leathernecks said the North Vietnamese pulled out, leaving 21 bodies in the bunkers. One Marine was killed and 20 wounded.

Air Force B52s flew eight more missions Sunday and Monday near the A Shau Valley. Their targets were supply and storage areas and fortified positions two and five miles north-northwest of the valley.

**Raid A Shau Valley**  
Today was the sixth day of heavy B52 raids on the valley. U.S. officials said many of the 20,000 enemy troops that held Khe Sanh under siege for 77 days have moved into the A Shau area, possibly for a push toward Hue and other coastal cities about 30 miles to the east. The North Vietnamese have been building up camps, roads and supply facilities in the valley almost without hindrance.

## Auto Accidents Kill Two In U.P.

By The Associated Press  
Weekend traffic accidents on Michigan highways have claimed the lives of at least 21 persons, including a motorcyclist whose vehicle hit a horse before careening into the path of an oncoming auto.

The Associated Press count of highway fatalities started 6 p.m. Friday and ended midnight Sunday.

The victims included:  
Milton A. Peterson, 25, of South Range, when the car in which he was riding ran off M203 Saturday near Calumet in the Upper Peninsula.

Kathleen Pullsher, 20, of Marquette, a passenger in an auto that ran off a road Saturday in Marquette Township.

## Humphrey Race Begins April 27

WASHINGTON (AP) — Vice President Hubert H. Humphrey intends to emphasize a "don't sell America short" theme in his campaign for the Democratic presidential nomination.

Humphrey plans to make his formal entry into the contest at a Washington news conference next Saturday. It will be open to radio and television coverage.

He is confident his announcement will solidify support that has been building up for him among organization Democrats since President Johnson said on March 31 he would not accept renomination.

The vice president has made it clear that he intends to run squarely on the Johnson administration record.

## James Gerou, Perkins, Dies In Vietnam War

PERKINS — U.S. Army Pvt. James Alan Gerou, 23, of Perkins, was killed in Vietnam last Wednesday, the Army notified his parents by telegram Sunday.

Pvt. Gerou was the son of Mr. and Mrs. Oliver Gerou of Perkins.

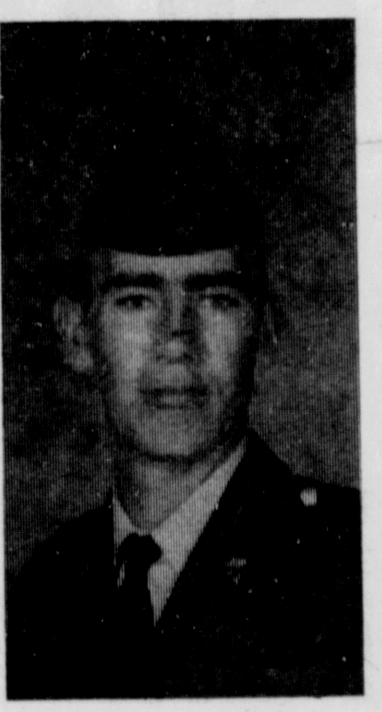

He is the second young man from Delta County to be killed in the war this year and eighth from this area to die in military service during the past two years.

Circumstances surrounding the young soldier's death were not immediately known. He died about 5 a.m. Wednesday while serving in the North Delta area of South Vietnam with the 2nd Infantry Armored Division.

James Alan Gerou was born March 20, 1945, in Perkins and attended Perkins schools. Before entering service, he had

worked with his father in the woods.

He was a member of the Michigan National Guard for six months and then went to Milwaukee for employment before entering service Sept. 12, 1967.

Pvt. James A. Gerou

Pvt. Gerou completed basic training at Fort Campbell, Ky., and took advanced training at Fort Polk, La. He had been stationed in Vietnam for the past two months.

Survivors include his parents; five brothers, Donald of Fort Oakland, Calif., Stephen of Waukegan, Ill., Gerald of Osier, and Michael and Scott, both at home, and his maternal grandparents, Mr. and Mrs. John Mastow of Sault Ste. Marie.

Donald Gerou is also in the Army and was awaiting assignment in Vietnam at Fort Oakland when he received word of his brother's death. He flew home Sunday night.

Funeral arrangements are incomplete pending arrival of the body.

Delta County's other war victim this year was Spec. 4 Gary W. Rusha, 19, of Escanaba, who died last Thursday in an Army hospital after being wounded in a hostile mortar attack. He was the son of Mr. and Mrs. Howard Rusha, 1812 1st Ave. N.

## Shotgun Blasts Kill Car Driver

FLINT (AP)—Police are investigating the shotgun slaying of Willie Kidd, 39, of Flint, who was found dead in his car Saturday with the engine running, the lights on and the auto stopped in the wrong lane.

Kidd was blasted four times at close range with a shotgun, police said, and suffered wounds in the chest and shoulders. The shotgun was fired through the window on the driver's side of the car. Casings of four shotgun shells were found near the car.

## Court Split On Obscenity Bans

WASHINGTON (AP) — The Supreme Court upheld today the power of states to keep sexy magazines from children.

At the same time, however, the court struck down a Dallas scheme to shield children from violent or sexy movies, on a finding the particular scheme was unconstitutionally vague.

The two rulings provided the first test of laws that serve to control what children—but not adults—may see and read.

The ruling on magazines involved a 1965 New York state law, the movie case a 1965 city ordinance.

## Weather

ESCANABA AND VICINITY—Partly cloudy with little temperature change today, high 58. Chance of rain with little temperature change tonight and Tuesday. Low tonight, 44. High yesterday, 60 and low overnight, 39. Winds becoming northerly, 8 to 15 mph, this afternoon and tonight. Wednesday outlook: partly cloudy and a little cooler. Precipitation probabilities: today, 10%; tonight, 50%; Tuesday, 50%.

Upper Peninsula — Considerable cloudiness this afternoon with chance of showers in the west portion. Highs this afternoon mostly in the 50s. Cloudy with occasional rain likely western two thirds tonight. Lows tonight generally in the 40s. Cloudy with occasional rain and little change in temperatures Tuesday. Highs Tuesday 47 to 55. Sun sets today at 6:44 p. m., and rises Tuesday at 4:48 a. m.

## Nixon Urges LBJ To Cut Budget \$8 Billion

CHEYENNE, Wyo. (AP) — Richard M. Nixon is now beginning to develop his second major campaign theme—what he calls "the crisis of the federal budget"—in his drive for the Republican presidential nomination.

He has called on President Johnson to cut the budget by \$8 billion.

Nixon said in a statement in Cheyenne, "The United States is today hurtling down a path toward the worst economic crisis of the postwar era."

The former vice president conferred for 3½ hours Sunday night with Wyoming Gov. Stan Hathaway and said afterward, "We talked about the crisis of the budget, the war in Vietnam, and all the other major national and international problems confronting the country."

Nixon charged the Johnson administration with five years of "fiscal mismanagement."

In answer to a reporter's question, he said, "Yes this will be a major campaign theme. It will be a lasting theme, although I wish that wouldn't be necessary."

Nixon's other big campaign contention, to date, is that the Democratic presidential candidates are so deeply divided among themselves that they cannot provide the leadership to heal the divisions in American public opinion.

Nixon said that he would make deep cuts in spending for public works, the nonmilitary space program, the supersonic transport and in government personnel at home and abroad.

## Today's Chuckle

Adolescent: one who is well informed about anything he doesn't have to study.

## Phone Workers Defy Injunction

WASHINGTON (AP) — The AFL-CIO Communications Workers defied back-to-work orders issued today in two states in the fifth day of the nationwide telephone strike, and said the injunctions blocked chances for an early settlement.

"All hopes for a quick solution have faded," said CWA Presi-

## Service

Escanaba Area telephone service was near normal today despite the nationwide strike of telephone workers, with supervisory workers subbing for the strikers.

Repair and operator calls were being handled here on a near normal basis, but orders for telephone installations or changes were not being worked.

dent Joseph A. Beirne, who denounced the court orders obtained by Southern Bell Telephone Co. in Alabama and Kentucky as "preposterous" and "anti-union."

Beirne said the injunctions indicated the Bell Telephone System, and its parent American Telephone and Telegraph Co., want "to go on fighting" the

A 30 BY 40 RENDERING of the new Pere Marquette Tercentenary stamp is displayed at news conference at Marquette University in Milwaukee. The 6-cent stamp which honors the 17th Century explorer-missionary will be issued Sept. 20 at Sault Ste. Marie, Mich. Marquette University President Rev. John P. Raynor is shown with the stamp design. (AP Wirephoto)

Historical Museum:

# Expansion Fund Grows; Society Continues Drive

The Delta County Historical Museum expansion project, sponsored by the local Historical Society, is hoped to be realized this year, reports Robert E. Schmeling, Society president.

The cost of the addition is estimated at \$14,000 and the Historical Society has budgeted \$7,000 toward financing the project. The Museum Expansion Committee has approached the City of Escanaba to assist in the construction fund.

The City of Escanaba owns the present Museum at Sand Point in Ludington Park and cooperates in the maintenance of the building and grounds. The proposed addition on the east of the present structure would double the floor space.

Schmeling in an appeal letter for contributions to the Museum expansion fund said: "The addition of a room to the present museum to accommodate the display of the many historical items at hand will apparently be realized this summer. This addition is being made possible through joint efforts of member donations and the City of Escanaba. The Society officers are grateful for this support."

"The added space is the first step in making your museum something for which we can be very proud. The second step

is to properly display the many historical items on hand and yet to be received. This will require display cases, files, picture racks, labeling material, and so forth.

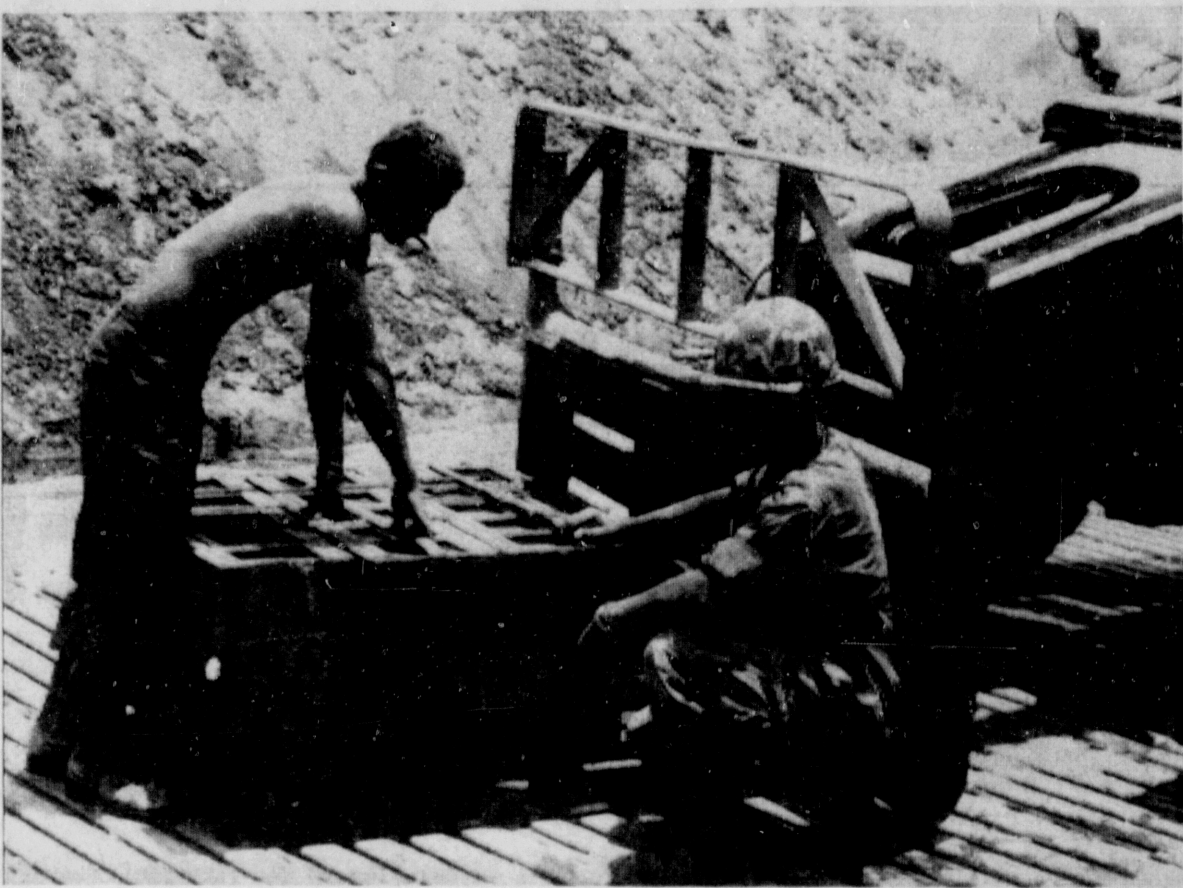

"Your financial help is needed to accomplish step No. 2. We request your support of this worthy project by submitting your contribution to the Delta County Historical Foundation, which qualifies as a federal income tax deduction," Schmeling said.

The directors of the Historical Society in recent meeting pointed out none of the \$1,500 appropriated to the Society by the Delta County Board of Supervisors will be used to finance the Museum addition, but will be expended solely for operations, files, fixtures and other needs.

Plans were discussed for the opening of the Historical Museum on Friday, May 24, which is Heritage Day of Michigan Week. Last year more than 4,500 visitors registered at the Museum.

## PREHISTORIC MINE

The only known prehistoric mine in southwestern United States is the "Great Turquoise" on Mt. Chalchihuitl, near Los Cerrillos, N. M. The Indians got their "sacred sky stone" from this mine.

ONE OF THE MOST critical of the many operations at Task Force Bugay is the running of the Ammunition Supply Point Specialist 4 Gary Schauer (standing) checks the banding on a pallet of small arms ammunition as Task Force Commander Captain James A. Bugay inspects. (U.S. Army Photo)

## Supplies In Vietnam:

# Name Task Force For Capt. Bugay

QUI NHOH, RVN—Captain James A. Bugay of Escanaba runs a pretty "far out" operation. His Forward Supply Area (FSA) at Dak To is further from "home base" than any of the Qui Nhon Support Command's other FSAs.

Mrs. Bugay (Patricia) resides at 601 S. 9th St., Escanaba.

Task forces are traditionally named after their commander, and the 75 officers and men at Task Force Bugay are supporting some 5,000 troops, all part of the 1st Brigade of the 4th Infantry Division.

Dak To, located some 50 miles north of Pleiku in Vietnam's rugged Central Highlands, was the scene of a vicious battle in late October and early November of 1967—a battle ultimately won by the Allied Forces.

"We are a supply service support organization," relates Bugay. "We provide ammunition to shoot with, petroleum to go with and food to be sustained with. We also stock many varied items of supply and offer services that include laundry and bath, graves registration and maintenance."

The Task Force itself is supplied initially by convoy and air.

"We have no pressing problems," remarks Bugay. "However, we're expecting a monsoon shortly that could be troublesome."

When convoys arrive from Pleiku, the FSA crews have them unloaded and turned around within two hours. The convoys, made up mostly of vehicles from the 124th Transportation Battalion, usually are composed of from 30 to 50 trucks, including tankers to fill a 160,000 gallon capacity bladder tank farm.

"Our mission is quite simple," Bugay concludes. "We're here to keep our customers happy, and we have few complaints."

And the customer, of course, is always right!

### Briefs

Allen Mercier was dismissed Monday from St. Francis Hospital where he was a patient for the past three weeks. He is now convalescing at his home.

Mr. and Mrs. Willard Clement and family of Saginaw spent the weekend at the home of their parents, Mr. and Mrs. William Juneau and Mr. and Mrs. Alfred Clement.

Mr. and Mrs. Rudie Gereau and family of Green Bay and Mary Gereau spent the weekend at the home of Mr. and Mrs. Rudie Gereau Sr.

Mr. and Mrs. Robert Boudreau and family of New Berlin, Wis. visited Saturday at the home of her parents, Mr. and Mrs. Joe Labadie.

Mr. and Mrs. Harry DeRoster visited Sunday in Marquette at the home of Mr. and Mrs. George Girard.

Madeline Olmsted and Mr. and Mrs. Harold Olmsted of Detroit spent the weekend visiting friends and relatives in the area.

Mr. and Mrs. Harold Boyd returned to their home Saturday after spending several weeks in lower Michigan.

Mr. and Mrs. Kenneth Sheedlo of Detroit arrived Monday to spend several days at the home of his parents, Mr. and Mrs. Ed Sheedlo.

Mr. and Mrs. John Schwartz, Mr. and Mrs. James Moore and Edwin Peterson returned Monday from Bay City where they attended funeral services for Ivan Spriggs who died on April 13.

Mr. and Mrs. James Krutina spent the weekend in Milwaukee visiting their children.

### Women's Club

The Women's Club met Tuesday evening at the clubhouse. Cards were played following the business meeting. Prizes were awarded to Mrs. Ivan Shafer and Mrs. Homer Beauchamp. Lunch was served by Mrs. Peter LeClair, Mrs. D. J. Sly and Mrs. Frank Sefcik.

## Isabella

Mr. and Mrs. Bruce Olson of Chicago spent the Easter weekend at the home of his parents, Mr. and Mrs. Ed Olson.

Mr. and Mrs. Francis Kallin and daughter, Susan, and husband of Plymouth, Mich. visited relatives and friends over the weekend.

Mrs. Edwin Sundin has been dismissed from Schoolcraft Memorial Hospital.

### Easter Guests

Mr. and Mrs. Herman Sundin and children spent Easter at the home of Mr. and Mrs. Elmer Hall of Muskegon.

Annette Turan of Detroit spent Easter at the home of her parents, the Henry Turans.

Mr. and Mrs. Isadore Bonifas have returned home after spending the winter months in Fort Pierce, Fla.

Mr. and Mrs. Robert Johnson and children of Detroit have returned home after visiting his parents, Mr. and Mrs. Caleb Johnson.

Gene Johnston left for Plymouth, Mich. where he will visit his daughter, Mrs. Steven Jewel and his sister, Mrs. Herman Perlonzza.

Though Hachijo Island rises out of the Pacific 175 miles south of Tokyo, it is legally a part of the Japanese capital. The isle, less than an hour from Tokyo by plane, is a favorite retreat for honeymooners.

## Sawmill Clinic Set For Friday

Michigan State University Extension will offer a spring sawmill clinic at Champion and Michigamme Friday, April 26 from 10:30 a.m.

The morning session will be at the Kimberly-Clark sawmill two miles east of Champion and the afternoon session at the Mount Shasta restaurant at Michigamme, where lunch will be served to the tour group.

Roy Skog, MSU forester in the U.P., will be morning chairman. Henry Huber, MSU forest products specialist, will be afternoon chairman and speakers will include Lyle Argetsinger, K-C mill manager, on its operation; William F. Wilson, manager of Operation Action-U.P., on the importance of forest products to the U.P. economy; Al Boelter, Michigan Conservation Department Forestry Division, on lumber production from low grade logs in bolter mills; Mack Gomer, Corley Sawmill Mfg. Co., on sawmill maintenance, and Jim Johnson, Ford Forestry Center of Michigan Tech at Alberta, on grade recovery in the sawmill.

## 1,500 Graduate From Western

KALAMAZOO (AP) — About 1,500 students received their degrees during commencement exercises at Western Michigan University Saturday. Dr. Lewis M. Braonscomb, chairman of the Joint Institute for Laboratory Astrophysics at the University of Colorado, told the graduates that the urgency of today's problems "leaves little opportunity for calm reflection or for attempting to examine our society with dispassionate eyes."

## Taft Decision Is Highlight On ETV Tonight

MARQUETTE—The promising new field of automated medicine is explored at 8 p.m. Thursday on WNMU-TV, Northern Michigan University's educational television station.

Other programs this week included:

At 8 tonight the island of Fiji is explored.

"Profiles In Courage" at 10 tonight focuses on Senator Robert A. Taft and his 1946 decision to speak out against what he believes to be a violation of the basic principle that a man cannot be tried under an ex post facto charge.

At 8:30 p.m. Tuesday, foreign policy experts discuss U.S. commitments abroad.

Donald Koke, NMU speech instructor and veteran folk singer traces the development of the ballad in American folk music at 8:30 p.m. Wednesday.

"The Lady With The Dog," a Russian film is featured at 9 p.m. Friday.

Principals in this scene are a trio and soloists Ken Thompson, Ed O'Leary and Brian Wood. "My Fair Lady" will be presented tonight, Tuesday, Thursday, Friday and Saturday by the Players de Noc. (Daily Press Photo)

## Schools Meet Varied Needs

Editor's Note: This is the first of a series of articles developed by the Escanaba Area public school district to inform residents of the area about the school district, its program and its needs in advance of the special millage election, May 6.

A free public education shall be guaranteed every child, between the ages of 6 and 16, regardless of race, color or creed. This is the law. It does not define the scope of education, nor does it limit the kind of child who can attend. It does mean that public education is responsible for all kinds of children.

To construct an educational program, it is necessary to study our children and base our program on their needs.

A child, or in this case a student, is either a boy or girl, from 5 to 18 who is either short, medium or tall, plump, average or thin. He comes of either poor, middle income or rich parents, who have either a poor education, a high school diploma or a college educational background. His health may be good, average or poor, or he may be mentally or physically handicapped.

He could be artistically or athletically endowed or vocationally minded. His ambition could be for a white-collar job, a blue collar job or a worker. He could be a well-adjusted student or a mal-adjusted student from either a socially, educationally or economically deprived home, that is either in the city, suburbs or country. He may also be fatherless, motherless or orphaned.

**Help All Types**

These are the students in our area and the Board of Education, has assigned to teachers and administrators the job of developing an educational program that will meet the needs of all of the children and also satisfy the requirements of the University of Michigan and North Central Association.

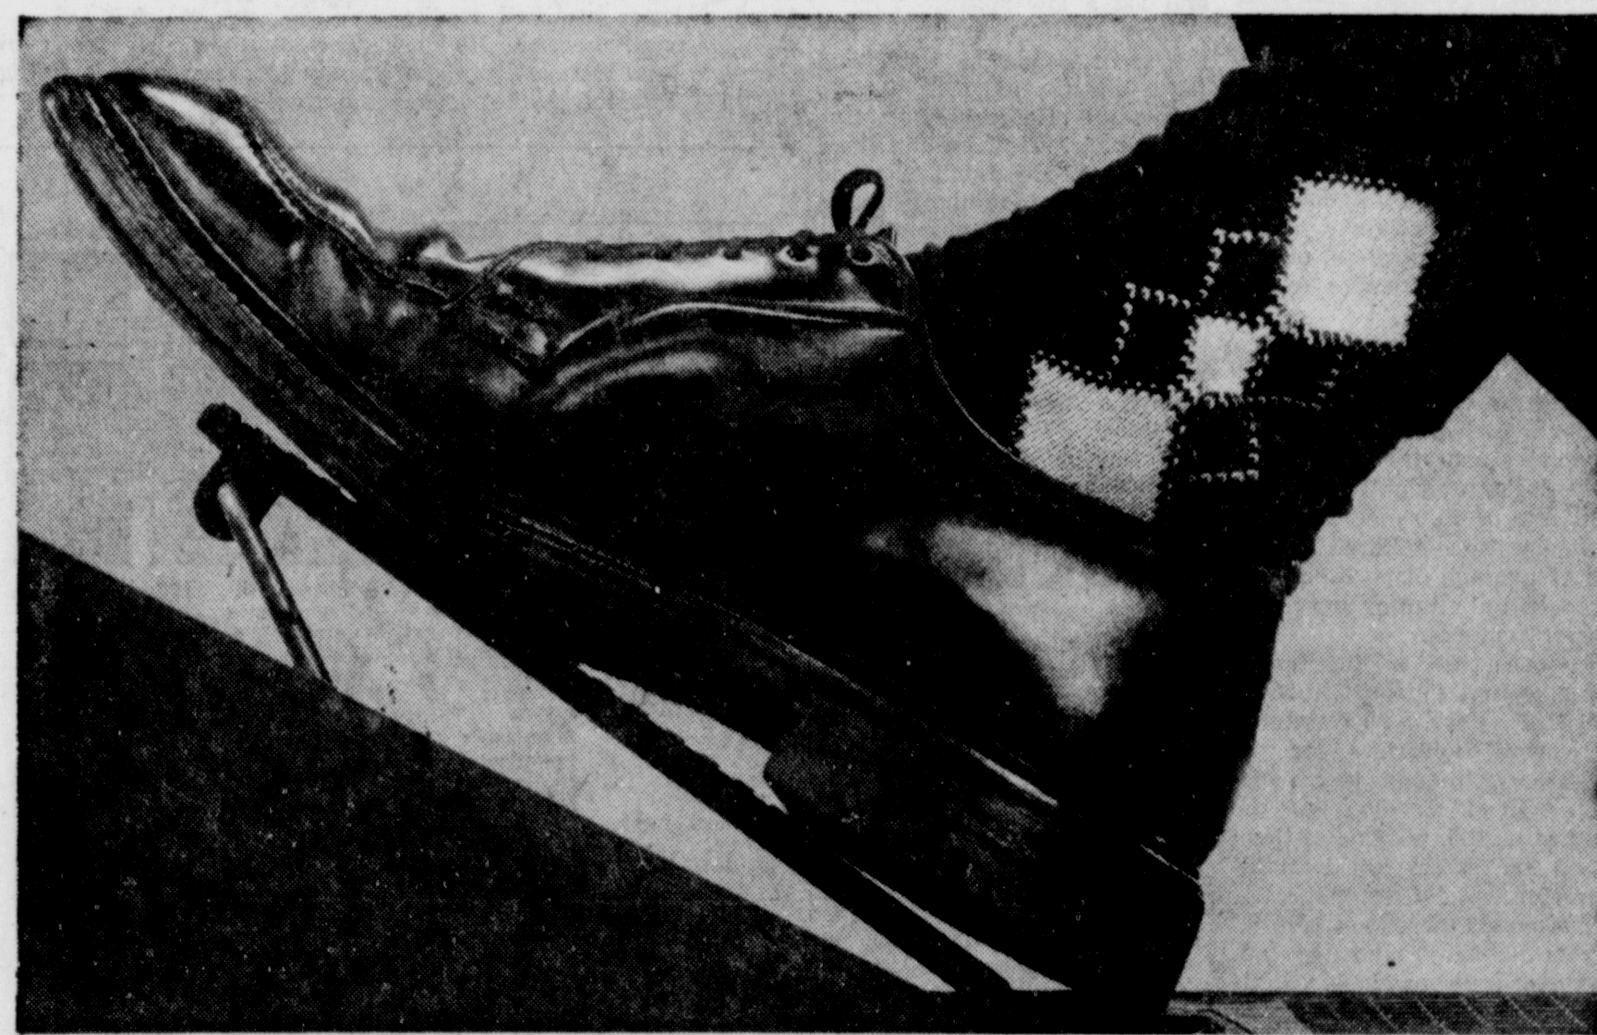

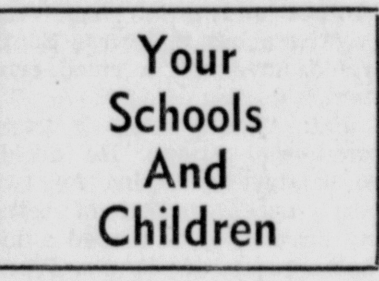

This program consists of classes for the slow, average and bright child, the mentally and physically handicapped and those aspiring to go on for further education or trade training. It also provides transportation for children residing in the rural areas and means for attending to children with health and psychological problems. To further meet needs of these children, proper supervisory, instructional and administrative personnel have been provided to carry on the program and provide materials and supplies to educate the children and operate the school system.

Business office personnel, clerical help, custodians, bus mechanics and maintenance men are necessary to do house-keeping and record keeping chores to meet requirements of the State Educational Agency and for efficiency of operation.

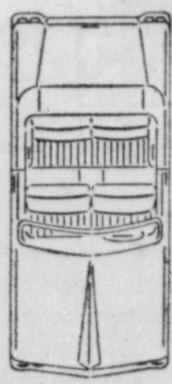

**Buildings Needed**

For gifted and athletically endowed students, extra-curricular activities are organized. The last item needed to develop an education program is housing suitable to meet the physical size and educational level of the children and the maintenance of these buildings. The main purpose of this type of educational program is to meet the needs of all children. That one child does not need a particular part of the program does not mean that it isn't necessary.

The cost of an educational program is not cheap, but then feeding, clothing or attending to a child's other needs is not cheap either.

## 'My Fair Lady' Opens Tonight

The Players de Noc Broadway musical comedy "My Fair Lady," starring Richard Hanson as Professor Henry Higgins, Mrs. Lorna Benson as Eliza Doolittle and Charles Tooman as Col. Hugh Pickering, opens tonight.

The productions will be staged at the Escanaba Area High School auditorium with curtain time at 8.

Adapted from George Bernard Shaw's comedy, "Pygmalion," Alan Jay Lerner wrote the book and Frederick Loewe composed the music for the play. It opened on Broadway in 1956 and was rated as "one of the best musicals of the century . . . in taste, intelligence, skill and delight, the finest musical in years."

At the Area High School auditorium an acoustical gate was built around the orchestra for better balance of sound. The gate was designed and built by Dick Hanson and will be used in all future musicals of both the Players de Noc and the high school.

Tickets for the five performances, Thursday, Friday and Saturday are on sale at the Gust Asp store, 616 Ludington. All remaining tickets for each performance will be on sale at the door beginning at 7:15 p.m. No one will be seated after curtain time until the end of the first scene.

Season tickets for the 1968-69 productions of the Players de Noc will also be on sale at the door.

## School Millage Meeting Called

RAPID RIVER — A public meeting to hear a report on the school millage proposal will be held in the Ensign Town Hall at 8 p.m. Tuesday, April 23.

The Rapid River school millage proposal will be explained and discussed. The election, to be held May 6, proposes:

That 3 mills be renewed for the continuing operation of the schools at their present level; and that 2 mills be added to be used in financing one more teacher in the elementary and one more in the High School.

The additional teachers are needed to reduce the class sizes acceptable to the University of Michigan accreditation standard.

Part of the 2 mills will go to re-equip the shop and business education rooms.

None of the 2 mills are to be used for salary increases.

The public is invited to attend and lunch will be served.

## Police Car Hit, Motorist Fined After Accident

A Negaunee man whose car started an accident early Sunday which damaged a Michigan State Police patrol car pleaded guilty today before Justice Ross Davis of Gladstone to a charge of driving under the influence of intoxicants.

State Police said Gilbert W. Lukkonen, 43, was arrested after a three-car accident at the intersection of Lake Shore Dr. with U.S. 2 and 41 at 1:05 a.m. Sunday.

Officers said a State Police patrol car driven by Trooper Howard Haulotte Jr., and a car driven by Mark L. Derouin, 39, Chemical Plant location, were stopped at the intersection stop sign. Lukkonen's car hit the rear of the Derouin vehicle, pushing it into the State Police car, officers reported.

Lukkonen was assessed a \$75 fine and \$11.80 costs by Justice Davis. His driver's license was automatically suspended.

## Mrs. Forcier Dies Thursday In Chile

Mrs. Arthur (Thelma) Forcier, 46, of Santiago, Chile, died Thursday evening in Chile. She was born Dec. 25, 1921 in Masonville Township and was a graduate of Rapid River High School and Northern Michigan University.

Mrs. Forcier had resided in South America for many years where her husband is employed by the government.

She is survived by her husband, two daughters, Carol, a student in Yakima, Wash., and Patty, at home; and her mother, Mrs. Pearl Savage of Gladstone.

Funeral services will be held in Washington.

## Shooting Down Looters

Chicago Mayor Daley's order to Chicago police to "shoot to kill" arsonists and to "shoot to maim or cripple" looters in any future rioting in Chicago has brought a national reaction of great vehemence. Most of it, we judge, is critical of Daley's idea that police should shoot rioters.

There are, of course, strong minded people on both sides of the question.

Some are asking just what America intends, if it is telling its police officers who are charged with dangerous riot control duty that they must not shoot?

This is to condone lawlessness and this is the way to anarchy and chaos, it is argued. No public morality could survive such an attitude, say proponents of this view.

This oversimplifies it.

It is not suggested anywhere that the police should not shoot to protect their own lives or those of others in their keeping, but it is rather generally argued that Mayor Daley errs when he suggests that the police should shoot down arsonists and should try to cripple looters.

As a practical matter just how police would do such controlled shooting remains mysterious, because a riot is a battle and the conditions are not those of the rifle range or shooting gallery, where a marksman may be deliberate and exact. It borders on the foolish to suggest that different categories of rioters are to be regarded as different kinds of targets for police gunfire. Anyone who has shot a sidearm will appreciate the difficulties of implementing the Daley orders.

The umbrage that Mayor Daley's order has aroused seems to have been a reaction strongly influenced by fear. It is suggested that if the police shoot at rioters—and we're talking here of Negroes although there were whites among the Detroit riot looters last July—that the Negroes will shoot back. Then there will be a bloodbath and sort of civil war.

To prevent this, say the fearful, there should be no police shooting of rioters.

Reason born of fear is often poor, just as reason born of anger is apt to be. The threat of wholesale bloodshed is a proper reason for considering a control on policing methods, but there is a better and more pervading reason for not shooting rioters.

It is that American justice does not tolerate summary execution or lynch law.

We stand for due process of law. We have come by this system the hard way, through centuries of struggle against oppression and injustice in the Old World and through refinement of the protections for individual freedom in this country. We do not want to lose these precious freedoms which are our greatest single possession as citizens.

Our system is to arrest suspects, to accuse them by orderly process, and to give them fair trial. If they're found innocent they're freed and if they're found guilty they're punished.

The shooting of rioters short circuits this process. It makes the police accuser, judge and executioner, and all in a confused, mad, disorder whose criminality is not really solved by gunfire.

The problem is not new, but it is new in its dimension of the summer riots in the core cities, with thousands of persons involved. For the police to make orderly arrests in such situations is obviously very difficult and probably impossible. But we are learning from experiences like that in Detroit last summer and the errors made there are not apt to be repeated with such horrifying results.

Early, forceful police action in rioting is necessary and is much more apt to be effected now by our big cities. The immediate shutdown of Detroit by curfew process was notable after the assassination of Martin Luther King created a crisis. The Negro militants are not going to find a passive police situation while the looters take home the colored TV sets and the arsonists torch off a few blocks.

But there is a very disturbing thread of civil disobedience in the cloth that Negro leaders and white liberals are weaving to clothe public policy about riots. While it is true that there would be a national and world revulsion against the shooting down of children and others looting in riots, there cannot be a tolerance of such criminality, or our system of law will be destroyed.

It is as though we were shaping up to a double standard of justice in this country, with Negroes permitted to break some of the laws because they have been deprived, or victimized, or just because they don't respect them. Any such situation would destroy the Negroes as certainly as it would destroy the whites.

## People, Events Of Yesteryears

From the Files of the Escanaba Daily Press

### 25 Years Ago

Winners in the March safety suggestions contest at the Escanaba ore docks projects were announced. First place of \$35 was divided among two dock builders, Henry Swanson, of Gladstone, and Gust Anderson, of 1104 Sheridan Road, Escanaba. Frank Sohr, a dock builder, of 1314 1st Ave. S., Escanaba won \$25 second prize. Healy Holmes, laborer, 307 N. 12th St., Escanaba, was the \$10 third place prize. Alex Cathcart and Robert Rreward each won \$10 and fourth and fifth places, respectively.

### 50 Years Ago

Judge R. C. Flannigan and attorneys of the Delta County Circuit Court yesterday accomplished what is believed to be a record in court action when five separate cases were tried before five juries and verdicts were returned in four of the actions.

Harry Moine will arrive soon to teach mechanical engineering and manual training at the Escanaba High School to succeed C. A. Strange, who enlisted in the Navy.

## U-M Scholarship Honors Dr. King

ANN ARBOR (AP)—Regents of the University of Michigan have established a Martin Luther King Jr. scholarship fund to assist in the education of disadvantaged students at U-M.

The fund was started Friday with \$10,000 from the university's accumulated undesignated gifts.

They also authorized a fund drive to solicit contributions for a Martin Luther King Jr. endowed professorship.

The scholarship fund and endowed chair were included in the demands of a group of Negro university students who locked themselves inside the school's administration building last Tuesday.

The students refused to leave the building or permit others to enter until the university president, Dr. Robben W. Fleming, agreed to consider their demands.

### Voting Machines

More than 60 per cent of all U. S. voters cast their votes on machines during the 1964 presidential election, according to the Encyclopaedia Britannica. Nearly every state provides for the use of voting machines in elections.

POWERS-SPALDING AREA VISTA volunteers, Rosey Doddato, left and Neil Everitt help begun a tutoring program for area school children. Through this program, individual help in reading is given to both elementary and high school students. Evening tutoring is also done in private homes. (Daily Press Photo)

## VISTA Workers Aid Area Young People

By MRS. I. R. NELSON

"VISTA's? Who are they?" "What will they do here?" "How long will they stay?"

Questions like these were common last August when VISTA Volunteers, Neil Everitt and Rosey Doddato, first arrived in the Powers, Spalding, Hermansville area. The girls were then strangers and their purpose was not clear. Eight months have now passed and the workers are not only known by nearly everyone, but they have become a part of the communities.

VISTAs (Volunteers In Service to America) are members of the domestic Peace Corps. They volunteer to serve anywhere in the United States for one year and receive a subsistence allowance. Their main function is to motivate communities to work together for the betterment of all the people.

### One Year

The VISTA must come to know the needs of the community, make the community aware of these needs, and then involve as many as possible in the work. Since a VISTA has but one year, how much can he hope to accomplish? The volunteer hopes that the programs initiated will be continued by the community in the years that follow.

The Community Action Agency located in Escanaba and headed by Ray LaPorte sponsors the Powers VISTA workers. They work with an area representative of Community Action, Mrs. Shirley Oczus of Stephenson.

### Tutoring Program

One of the most successful projects of the Powers VISTAs has been their tutoring program, conducted two mornings a week at the Powers-Spalding school.

Through this program, individual help in reading is given

to elementary and high school students. Evenings are also devoted to tutoring, but in private homes. Begun last September, this program has grown to include several volunteers from the community who also tutor on a regular basis.

Another project is teenage recreation. The VISTAs, through co-operation of the Powers and Hermansville Schools and community members have the school gyms open one night each week for Senior High students. Basketball, volleyball and pingpong are the activities.

The workers have tried to create a greater interest in the Pinecrest Medicare Facility. Through their visitations of the hospital, they have found many lonely persons who enjoy a visit or who need someone to read or write letters for them.

### Senior Citizens

A senior Citizen survey is presently being conducted to see that the older people are getting along well and have no pressing needs.

A gymnastics class for, "women only", has been initiated through the help of the VISTAs. The class, conducted by Miss Dorothy Tucker, kindergarten teacher at Powers-Spalding school, is held every Thursday from 7:30 to 9 p.m. The class includes exercises and volleyball.

With summer coming, the VISTAs are busy planning more programs. They hope to conduct a Saturday Story Book Hour for grade school children. A six-week pre-school program for children age 3-5 is in the planning stage.

Also, they hope to organize a summer recreation program to include swimming, sport events and a craft class. If any one has any suggestions or would like to help with any of these projects, please call Powers, 497-5536.

## Uses Same Tactics

By RAY CROMLEY

UNDORN, THAILAND (NEA)—In his attacks on South Vietnam's cities, Gen. Nguyen Glap, North Vietnam's defense minister, is using the same techniques he used successfully against the French a decade and a half ago.

In forcing more defending troops and pacification teams back to police the cities and towns, Glap has the countryside more open to his will.

Though he may not hold these newly won countryside areas for long, he can use this period to kill or punish those rural leaders who have worked against him.

When the U. S. and South Vietnamese government forces retake these villages they will find the people hesitant about giving full co-operation for they will not know when the Viet Cong will come again.

Glap is using this opportunity also to kill or threaten those officials, teachers, police, businessmen, fishing and farm co-operative officers and other community leaders who have been the backbone of community organization and anti-Communist strength.

The objective is to do so destroy the stability and leadership of these villages and hamlets that the people will come to the conclusion that there is no alternative to Communist rule.

As a result, many people will flee these hamlets and become refugees. A considerable proportion of those who flee will be the leaders, potential leaders and strongest anti-Communists. Their departure will weaken further the will of the villagers to resist. Their moving to the cities will further accentuate the food problems of the population centers.

The heavy North Vietnamese attacks across the 17th Parallel diverted sizeable numbers of Marines from their work of clearing, protecting and strengthening villages in central Vietnam and in rebuilding their governments.

The attacks at Khe Sanh in-

tensify this diversion.

The battles against U. S. Army units on the Cambodian border successfully delayed the U. S. plans for sending sizable numbers of U. S. troops to the Delta to aid in the protection of civilians working on village and hamlet civic improvements projects in the far south.

The attacks on the cities should, according to Communist theory, so increase the number of U. S. and South Vietnamese troops needed for garrison (city protection) duty that fewer forces will be available for protecting the rural areas against Communist political-psych-war guerrilla squads which will move in on the heels of the terrorists to recruit young men for the VC fighting units and to build the VC underground structure and the VC above-ground National Liberation Front organization in the newly occupied hamlets.

The VC objective, it must be stressed, is to strengthen their political organization so that they will be able to rule underground even when the villages and hamlets are recaptured by U. S. and South Vietnamese forces.

During their brief occupation of some sections of Saigon, Hue and other major cities and towns, it is now clear that the Viet Cong systematically killed officials, police, teachers and merchants who had been most troublesome to their cause.

These men will be difficult to replace. Leaders are short in South Vietnam. Their successors will be looking over their shoulders for fear a neighbor might be a Viet Cong assassin.

The problems that arise from this Viet Cong strategy cannot be solved by defensive actions.

What is required is the building of an underground which will penetrate the Viet Cong, gain advance knowledge of their plans and take out their leaders.

## The Family Lawyer

### DOG CONTROL

One man's dog may be another man's nuisance. If you are disturbed by your neighbor's dog (or dogs), and if complaints don't help, you might consider another possibility: a court order to abate the nuisance.

What does the law say in such cases?

By and large, it is sympathetic to the person who is subjected to an excessive amount of canine clamor.

"Dogs in a neighbor's yard may murder sleep," observed one judge, "and destroy the reasonable enjoyment of a home."

Thus, a suburban family won in injunction against the owner of a German shepherd dog whose furious barking had awakened them regularly at 4 o'clock in the morning. The court said the defendant would have to either reduce the noise or get rid of the dog.

Suppose you go to court only after having tolerated the noise for some time. Your neighbor might then argue that you have "accepted" the situation by your acquiescence.

But chances are that the court would not penalize you for being patient. Your complaint wouldn't be turned down merely because you held back for a reasonable time, in the hope of finding some solution short of the courthouse.

What if the neighbor was already living there—with his dog—before you moved in? That, too, is not enough grounds to bar your complaint. His being there first does not give him a permanent right-to-be-noisy, regardless of the feelings of newcomers to the street.

On the other hand, you won't get far in court with a complaint that reflects your own unusual sensitivity rather than the dog's unusual behavior. The law of nuisance is a law of moderation—tailored to people of average dispositions, not to those with jumpy nerves or trigger tempers.

In one case a disgruntled home owner, in court about a neighbor's dogs, was countered by several witnesses for the defense. Although these witnesses lived as close to the dogs as he did, not one of them found the barking the least bit annoying.

The court thereupon refused to mix in. The judge ruled that, whatever one particular individual might think, barking—in moderation—is a lawful ingredient of neighborhood life.

## Win At Bridge

By JACOBY & SON

## Part Score Is Spur To Bids

NORTH		72	
♠	10 9 6 3		
♥	A Q 7		
♦	7 4 2		
♣	8 5 2		
WEST (D)	EAST		
♠	A	♠ Q J 5	
♥	J 9 4 3	♥ K 10 8 6 5 2	
♦	J 8	♦ 10 6 3	
♣	A Q J 9 4 3	♣ 10	
SOUTH			
♠ K 8 7 4 2			
♥ Void			
♦ A K Q 9 5			
♣ K 7 6			
Both Vulnerable;			
East-West 60 part score			
West	North	East	South
1 ♠	Pass	1 ♥	1 ♠
2 ♥	2 ♠	3 ♥	3 ♠
4 ♥	Pass	Pass	4 ♠
Pass	Pass	Dble	Pass
Pass	Pass		
Opening lead—♥ 3			

Oswald: "It is remarkable how the presence of a part score can affect the bidding. South liked today's hand and wanted to be in game the moment his partner raised spades, but he wanted to be pushed there so that he would get doubled."

Jim: "Or maybe South was afraid that his partner didn't have much of a raise. Actually North's bid might be described as flying the flag against the 60 part score."

Oswald: "North did not have much of a raise, but if his ace and queen had been anywhere but in hearts, South would have had a cinch contract."

Jim: "South was a pretty resourceful player. He decided to start by trying for two heart tricks instead of settling for one, so he played dummy's queen of hearts. When East produced the king, South had no real play for his contract. In fact he rather expected to go down more than one trick."

Oswald: "South was Warren Slattery, an old Brooklyn friend of mine. Warren is a mighty resourceful player and he managed to make his contract by means of some adroit camouflage. He started by playing his king and queen of diamonds. Then he stopped and led a low spade."

Jim: "That certainly was the right spade to play. Did West take the bait?"

Oswald: "He took hook, line and sinker! He couldn't lead a diamond. He didn't want to lead a heart to dummy, so he played his ace of clubs."

Jim: "That gave South his contract because it did not matter whether East ruffed the next club or discarded. Warren was going to lose two trumps and one club."

Oswald: "West should have seen that he could afford the heart lead but he didn't."

### ♥♦CARD Sense♦♣

Q—The bidding has been:  
West North East South  
1 ♠ 1 ♥ Dble 3 ♠  
4 ♣ Pass Pass ?

You, South, hold:  
♠ K 8 7 6 ♥ K 3 ♦ K 8 6 5 4 ♣ 3 2  
What do you do?

A—Pass. You will probably set four clubs, but a double is a poor gamble. So is a four spade bid.

### TODAY'S QUESTION

Instead of passing, your partner bids four spades over West's four clubs, and East bids five clubs. What do you do now?

Answer Tomorrow

### Loan Program

KALAMAZOO (AP)—The Southwestern State Employees Credit Union, with a \$1,000 gift, has established a student loan fund at Western Michigan University, it was announced.

### Ann Landers

## Relationship Snarls Up Marriage Plans

Dear Ann Landers: I will try to make a long story short and get right to the point. I am going with a boy I am terribly fond of. Ken is fond of me, too. My mother's attitude toward Ken was always cool. It was obvious she disliked him.

About three weeks ago she said, "I hope you are not planning to marry Ken." When I replied, "As a matter of fact I am," she turned white and blurted out, "You can't. He is your first cousin." My mother then told me about her youngest sister who had died giving birth to an out-of-wedlock child. I had never heard a word about this sister or the child—in fact the whole story is so bizarre I am wondering if my mother made it up. She insists there is no way of checking as nobody knew of it but her.

The thing that bothers me is that Ken looks enough like he is my brother. Also, he is adopted. I am a nervous wreck with worry. Can you give me some advice that will settle me down? — NIGHTMARE GIRL

Dear Girl: First of all, tell Ken everything you have heard. If you still want to be married, you are ready for the next decision.

Be aware that when first cousins marry the likelihood of their children inheriting harmful recessive characteristics is increased. These recessive genes could be present even if there is no blood relationship. Marriage always presents this possibility.

You and Ken should go to a physician, have complete physical examinations and give the doctor all the facts pertaining to your family medical histories. Also see a lawyer. Some states do not allow first cousins to marry. While the medical authorities are divided on the question, "Should first cousins marry?" the majority of enlightened physicians feel it is not particularly hazardous.

Dear Ann Landers: Because I feel you are my friend, I would like to share something with you.

Here is a recent news item which appeared in our local newspaper:

"When Patrolman —, head of the Police Department's traffic revenue, opened a parking ticket envelope the other day, he found a letter attached to the \$5 bill paying the fine. He expected to read the usual profane language instructing the 'lousy

cops' to spend more time catching criminals and less time harassing people who park too close to fire hydrants.

"What he read nearly shocked him out of his uniform — 'To whom it may concern: I would like to thank each and every police officer who risks his life every day to protect citizens such as me. A policeman's job is a dangerous and thankless one. Officers of the law take an enormous amount of abuse. Too often the entire force is blamed for the poor behavior of a few. May God bless the policemen in our city. More than ever, we need them now.' — Mrs. J. R."

If you think this letter has merit, Ann, please print it. Sincerely yours, — STEADY READER

Dear Reader: I do and I will. Here it is.

Confidential to Dropped Like a Hot Potato: The way to have friends is to treat them well. The way to lose them is to treat them often. Gratitude can become a mighty heavy burden.

"The Bride's Guide," Ann Landers' booklet, answers some of the most frequently asked questions about weddings. To receive your copy of this comprehensive guide, write to Ann Landers, in care of this newspaper, enclosing a long, self-addressed, stamped envelope and 35c in coin.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope. Copyright 1968, Publishers-Hall Syndicate

## BARBS

By PHIL PASTORET

Friend of ours says that, after polarization of the consensus concerning his executive potential in organizational initiative, he finally plans to expand the area into which he wished to protect his creative endeavor. His former boss says he fired him for not following orders.

People who write free verse get awfully mercenary if it's published on that basis.

The man who is his own boss works for a demanding employer.

# Crafts Get Spot At Ironwood Show

Craftsmen from all over the Upper Peninsula will be gathering in Ironwood on Saturday, April 27, for the ninth annual Upper Peninsula Crafts and Native Industries Exhibit and Conference.

## Smokey Carved From Pine Log

"Smokey Bear is a symbol of fire prevention and wise conservation practices," said Frank Rawnick as he presented a hand-carved wooden statue of Smokey to District Ranger Orville Lind of the Iron River District of the Ottawa National Forest. "I want the people of Iron County and visitors to our area to have him as a constant reminder of the importance of fire prevention."

Rawnick, a woodworker and former miner from Iron River, carved the statue from a white pine log, eight feet long and 24 inches in diameter. This log came from a 150 year old tree which was cut from the Ottawa Forest.

The replica of "Smokey" stands 6½ feet tall and weighs 400 pounds. It is the only known statue of Smokey to be carved from a single white pine log.

The Smokey statue will be on display at the Iron River Ranger Station located at 801 W. Adams St., Iron River.

Committee for Area Progress (UPCAP) and the Western U.P. Arts and Crafts Council.

The conference will be held in the Ironwood Armory. Miss Olive Craig, a silversmith of Brimley, president of the U.P. Crafts Council, announces that the speakers will be Professor Aare Lahti, U-M School of Architecture and Design on "How the Craftsman Designs" and Miss Gwin Frostic, artist and designer of Presscraft Papers, Benzonia, Mich., on "Business and the Craftsman".

Lahti is a former resident of Ironwood and was a director of WPA art projects in the U.P. in the depression. Miss Frostic is widely known for her drawings on stationery manufactured by her firm, Presscraft Papers.

Consultants at the conference will also include Mrs. Hayden Sears of Gogebic Community College, Ironwood; William Francis, art supervisor of the Duluth Public Schools.

Demonstrations will include: silk screen process- Mrs. Gertrude Kaari, Hurley, Wis.; wood carving - Tom Vizanko, Ironwood; weaving-Mrs. Dorothea Buell, Chassell and Mrs. Mary Lou Schaal, Ishpeming; lapidary

## In Service

Staff Sgt. Leslie E. Snrka, son of Mr. and Mrs. Lester E. Snrka, Rte. 1, Powers, has helped his organization at Kelly AFB, Tex., earn the U.S. Air Force Outstanding Unit Award. Snrka, an intelligence specialist, will wear the distinctive service ribbon as a permanent decoration. He is assigned to the Air Force Special Communications Center, a facility of the U.S. Air Force Security Service. The center was cited for extraordinary operational efficiency and professionalism during a two-year period. Snrka is a graduate of Powers-Spalding High School. His wife, Mayme, is the daughter of Mr. and Mrs. Francis Poquette of Spalding.

and plastics - Ted Hulstrom, Ironwood; ceramics-Mrs. Signe Nelson, Ironwood.

The program will begin at 10 a.m., C. S. T. and close at 4 p.m. An exhibit of crafts books will be sponsored by the Michigan State Library Branch at Escanaba and one of regional paintings will be sponsored by the Range Art Association and the Wakefield Art League.

The conference theme is "Designs from Nature" and the Crafts Council will give an award to the craft item with the best design from nature. Another award will be given to the most artistic exhibit either by an individual or by a group. Judging will be done by the consultants.

Information and a printed program may be obtained from the Upper Peninsula Crafts Council, P. O. Box 394, Escanaba.

## Perkins

Mr. and Mrs. William Krouth have returned from Milpitas, Calif. after spending six months visiting their son and daughter-in-law, Mr. and Mrs. Howard Krouth.

Mr. and Mrs. Robert Apher have returned from Tampa, Fla. They also visited in Chicago with the John Mosiers.

## Birth

Mr. and Mrs. William LaChance of Harrogate, England are the parents of a son, Derck Adam, born April 1. The mother is the former Georgiana Cicome of Baltimore, Md. William is the son of Mr. and Mrs. Lawrence LaChance.

Miss Gabrielle Cafmeyer, Mr. and Mrs. Clyde Hammersmith visited in Rumley with Mr. and Mrs. Emile Verbrigghe on Easter Sunday.

Miss Luella Sharkey of Milwaukee visited her mother, Mrs. Delia Sharkey.

The first Thanksgiving Day was observed in the Virginia colony a year before the Pilgrims landed.

JAMES R. WARREN of Tallahassee, Fla., just might get a few wet newspapers this spring as a mother wren chose his protected newspaper depository for a nest to rear her family. Warren first removed the nest when he found it, but the mother wren was persistent and rebuilt the nest. Warren then hung the sign to assure the wren peace and quiet. (AP Wirephoto)

## Skydiver Killed In Ionia Jump

IONIA (AP) — A 36-year-old other skydivers jumped from a Cessna 182 single engine aircraft at the Ionia County Airport. Authorities said Burgess was dead when he hit the ground a half mile southwest of the airport, which is three miles south of Ionia on M 66.

The victim was Jack Burgess of Grand Ledge. He and two

THE 13TH ANNUAL Shrine Club Charity Ball was held Saturday evening at the Terrace Supper Club. Music for dancing was furnished by Chet Marrier and his Orchestra and a buffet supper was served later in the evening. Several guest prizes were presented during the evening. In the first picture, balloons reach for the hundreds of balloons suspended from the ceiling which hold the prize tickets. In the second picture, Mrs. Jack Miller is presented a mink boa, the special guest prize, which was donated by the Upper Peninsula Mink

Breeders Association. From left are, Hans Johnson, chairman of the 1968 Charity Ball, Clarence Sturdy, representing the U. P. Mink Breeders Association, and Mr. and Mrs. Jack Miller. Proceeds from the Charity Ball will be given, through appropriate channels, to the Shrine Hospital for Crippled Children in Minneapolis, Minn., which serves children requiring treatment who reside in Delta County. (Daily Press Photos)

### Kay Hassell, Wayne Sharkey Exchange Vows

ROCK — Miss Kay Hassell of Hereford, Texas, became the bride of Wayne Sharkey, son of Mrs. Betty Sharkey of Rock, on March 15 at the St. Anthony's Catholic Church in Hereford. The Rev. Byron Ryan officiated at the double ring ceremony.

A reception was held at the bride's home following the wedding ceremony. The newlyweds will reside at Apt. 2, 1233 W. Ninth, Amarillo.

The bride is enrolled in Northwest Texas Hospital School of Nursing, Amarillo. She attended West Texas State University after graduation from Hereford High School in 1965.

Sharkey is stationed at the Air Force Base in Amarillo. He graduated from Rock High School in 1965.

### Births

DEPUYDT — Mr. and Mrs. Alan Depuydt of Perkins welcomed their first child, a daughter, Kristin Kaye, at 3:44 a.m. on April 20. The infant weighed 7 pounds and 9 ounces at birth. Mrs. Depuydt was Susan Demeuse.

ZUIDEMA — At 2:24 a.m. on April 21, a son, James Michael, weighing 6 pounds and 4 ounces was born to Mr. and Mrs. Michael R. Zuidema of 924 S. 10th St. The mother was Judith Allen.

SARASIN — A daughter, Shelly Ann, weighing 7 pounds and 11 ounces was born to Mr. and Mrs. James F. Sarasin of 604 S. 20th St. at 5:37 a.m. on April 21. Mrs. Sarasin is the former Judy Rudden.

OLSON — Mr. and Mrs. David V. Olson of 611 S. 17th St. are the parents of a daughter, their first child, born at 5:56 p.m. on April 21. She weighed 9 pounds and 2 ounces at birth and has been named Michelle Marie. The mother was Sandra Dagenais.

LIPPENS — A son, Brian Joseph, weighing 7 pounds and 11 ounces was born to Mr. and Mrs. Joseph Lippens of Bark River Rte. 2 at 4:08 a.m. on April 22. The mother is the former Frances Martin.

ROBITAILLE — Mr. and Mrs. Terry A. Robitaille of 1608 Lake Shore Drive, Gladstone, are the parents of a daughter, their first child, born at 5:44 a.m. on April 22. The infant weighed 4 pounds and 1 ounce at birth and has been named Jaclyn Kay. Robitaille was Sandra Young.

### Duplicate Bridge Tournery To Start Saturday Night

The Elks Duplicate Bridge League, after a winter of weekly sessions, will begin the three-session tournament for the Parson's Trophy at 7:30 p.m. Saturday at the Elks Club.

Defending champions are Clair Hoehn and William Wood of Gladstone.

The tournament will continue Saturday, May 11, at 7:30 p.m. and also Sunday, May 12, at 1:00 p.m., with the pair accumulating the highest score for all three sessions gaining possession of the trophy for one year. Permanent individual trophies also will be awarded to the winners and runners-up.

The Parson's Trophy was donated to the Elks Bridge League by Mrs. Robert L. Parsons, who won permanent possession of it in 1933 for being a three time winner of the Pair Tournament sponsored by the Atlantic Whist Association.

Because some pairs may not be able to play in all three sessions, one substitution will be allowed. Credit for the substitution score will go to the original pair.

All bridge players in the area are invited to participate whether or not they attend one or all of the sessions. Players need not be members of the Elks Club.

Mr. and Mrs. Al Taylor won the weekly game Saturday night. Other pairs playing over 50 per cent were: 2, Clair Hoehn and Bill Wood; 3, Cal Douck and Jean Bonfeld; 4, Mr. and Mrs. Leo Alperovitz; 5, Mr. and Mrs. Robert Pearson, Sr. and Mr. and Mrs. G. E. Dehlin; 7, Mr. and Mrs. Clyde Lepisto.

### Church Events

Immanuel Lutheran  
Tuesday, April 23, 7:30 p.m. — parish education committee meeting.

Salem Ev. Lutheran  
The ladies aid will meet at 2 p.m. Wednesday in the church parlors. Hostesses for the afternoon will be Mrs. Martin Schabner and Mrs. Henry Ottensman.

Golden Age Club  
The Golden Age Club will meet at Club 324 on Wednesday. A pot-luck supper will be held at 6:30 p.m. and members are to bring their own table service. Cards and dancing will follow the business meeting.

### Mary Anderson Honored At Bridal Shower

Miss Mary Claire Anderson was honored at a bridal shower April 16 at the home of Mrs. Anton Holmes. Hostesses were Mrs. Holmes and Mrs. Edward Tyler of Trenton, Mich.

Shower decorations were in yellow and white and the guest prize was awarded to Susan Collins.

Attending were Mrs. Robert Anderson and Miss Roberta Anderson of Kingsford, Mrs. Harry Anderle of Port Huron, Miss Rita Culbert and Miss Rita Marie Culbert of Ishpeming, Miss Kathy Viau of Rapid River, Mrs. Lloyd Lindstrom, Miss Susan Collins, Mrs. Arol Beck, Mrs. Donald Vertrees, Mrs. Clarence Kleiman, Mrs. Jack Gunderson and Mrs. Marcell Ashland, all of Escanaba.

Miss Anderson will become the bride of Terry Lindstrom on April 27 in Kingsford. Parents of the couple are Mr. and Mrs. Robert Anderson of Kingsford and Mr. and Mrs. Lloyd Lindstrom of Escanaba.

### Jaycettes To Meet Tuesday

The Escanaba Jaycettes will meet Tuesday at the Old Town Restaurant beginning at 8 p.m. Coffee and desert will be served.

Guest speaker for the evening will be Carrie Larson of Nelson Floral of Escanaba. She will speak on summer flowers and flower arrangement.

The Jaycettes are now in the process of affiliating with the state organization and would welcome new members. If transportation is needed call Mary Smale, 786-0009.

### Delta Nurses Meet Tuesday

The April dinner meeting of the Delta District Nurses Association will be held at 6:30 p.m. Tuesday at the House of Ludington.

Nomination of officers for the coming year will be held and all nurses in the area are invited to attend. Reservations may be made by calling Mrs. Geraldine VanEnkevort, 466-7498.

### HOME FURNITURE NEWS

by  
Clyde Anderson

GETTING THE MOST OUT OF SPACE is a common decorating problem . . . for apartment dwellers, homes where rooms are small, even in big houses where the families are even bigger.

You can find many ingenious ways to make the most of space. The neat, out-of-the-way corner cupboard in a dining area is a good idea borrowed from yesterday, if you don't have room for a large buffet.

An intriguing bedroom storage idea is to put an extra chest in a closet. Does that sound impractical? Well, if you look over the contents of your closet, you'll find that pretty close to half the things on hangers are short — blouses, sweaters, coats, and the like. You can divide your closet so that these pieces hang over a chest placed on one side . . . with long pieces on the other side.

Another bedroom storage idea, where space is at a premium, is to use larger, roomier chests in place of night stands on each side of the bed.

Handsome chests — to place in bedrooms, halls, living rooms, just about anywhere — are very much in vogue today. You'll find a really handsome selection in our showroom, in styles and sizes to answer your needs — and your space problems! Come in and look them over.

### Homemakers To Study Weight Control

Extension Homemakers have scheduled a special lesson on weight control to be held at 1:30 p.m. Tuesday, April 23 at the Delta County Building. All interested women are invited to attend.

The group will view a slide presentation on, "Changing Attitudes Toward Weight Control," and will discuss recent trends on weight control.

Weight control is a problem of about 50 per cent of our adult population and many teenagers and young people are also concerned with this problem.

### NCOF To Meet On Thursday

The National Catholic Order of Foresters will hold a pot-luck dinner party at the home of Mrs. Roger Baker, 513 S. 13th St. Thursday beginning at 6:30 p.m.

Installation of new officers and a social hour will follow the supper. The court has received an invitation from St. Mary's Court of Iron Mountain to attend the Cloverleaf convention on May 21 in Iron Mountain. Reservations will be taken at Thursday's meeting.

Squid is a delicacy in many parts of the world.

### Events

TOPS Club  
The Silhouettes TOPS Club will meet tonight in room 260 of the Junior High School. Weigh-in will be at 7:30 followed by the business meeting.

Home and School  
St. Thomas Home and School Association will meet Tuesday at 8 p.m. in the parish hall. Election of officers will be held. Lunch will be served by the second grade mothers.

Bowling Banquet  
The Lady Elks' Wednesday night bowling league will hold their closing banquet Wednesday evening at the Elks Club. Cocktails will be served at 6:30 p.m. followed by dinner at 7:30. All lady Elks are invited to attend. Reservations should be called in to the club, 786-2294 by Tuesday, April 23.

More people get more news from newspapers than all other sources combined.

### WOMEN SUFFER WITH BLADDER IRRITATION

Common Kidney or Bladder Irritations affect twice as many women as men, often causing tenderness and nervousness from frequent, burning, itching urination. Secondly, you may lose sleep and have headaches, backaches and feel older, tired, depressed. In such cases, CYSTEX usually brings relaxing comfort by curing germs in acid urine, and easing pain. Get CYSTEX at drugists today.

# Timber Harvesting Demonstration Set

By JEAN WORTH

The timber industry demonstration project planned by Michigan for Upper Great Lakes Regional Commission sponsorship is reported assured of funding now and moving ahead toward implementation.

Frank Hoholik, president of Manistique Pulp & Paper Co., and head of Upper Great Lakes Timber, Inc., the non-profit corporation which will operate the demonstration project, said that a meeting of the executive board of the corporation would be held Wednesday, May 1, at Gaylord, to take final action on the project.

## Limited Life

The Michigan Department of Commerce will be official sponsor of the project, which is the first demonstration or pilot project undertaken by Michigan in the Upper Great Lakes Regional Commission program authorized by Congress as the share of Northern Michigan, Wisconsin and Minnesota in the federal government's Appalachia plan development of regional economics.

Hoholik said that Thomas Francis, federal co-chairman of the Upper Great Lakes Regional Commission (the 3 governors are the other commissioners) had reported federal funds available for the demonstration, estimated to cost \$140,000 in the first year of a life to be limited to 3 to 5 years.

The demonstration project will show practical ways to develop maximum benefits in the Northern Lake States is wood industries by improvement management of forests, harvesting, marketing and use of timber.

Project objectives include:

1. To increase wood business income.

## Produce More Wood

2. To encourage increased forest production of wood, on public and private forest lands of large and small ownership.
3. To improve wood harvesting, handling and marketing.
4. To provide wood-using industries inside and outside the project area with a dependable source of wood of known quantity and quality.

Demonstration project benefits are expected to include:

1. Stimulation of forest landowner interest in harvesting wood and promote market development.
2. Improved communications between landowners and wood industries.
3. Better use of available wood, increasing income.
4. Improved income stability and financial security of wood producers and forest workers.
5. Reduce workmen's compensation insurance costs.
6. Improved public image of wood industry workers.

## To Select Area

The project, written by Raymond Pfeiffer, staff forester of the Michigan Conservation Department, and John Hodge, Extension specialist in wood industry of Michigan State University, calls for the board of directors of Upper Great Lakes Timber, Inc., to select an area for the demonstration project in Northern Michigan, and hire the needed project personnel, who include a project manager and two assistants, a small demonstration logging crew and a stenographer-bookkeeper.

Considerations in selecting the project area will be land ownership, timber resources, and transportation and housing facilities. The corporation will obtain available wood products in volumes suitable for the demonstration purposes of the project, estimated in the first year to be from 15,000 to 20,000 cords of all products. It may involve activities within a radius of 20 to 30 miles of the project area center.

## Demonstration Crew

Local lending institutions and supporting organizations are expected to supply whatever funds are necessary to purchase standing timber and wood products needed for the demonstration. To harvest the stumpage obtained and to furnish additional timber needed, existing wood producers will be used wherever possible. There will also be the small crew hired to produce wood, using a variety of methods and machinery to determine the best combination for the situation involved.

## N. Viet Colonel Defects; Gives Assault Plans

(Continued From Page One)

since they overran a U.S. Special Forces camp there two years ago.

To the south, in the U Minh forest at the tip of South Vietnam, fires burning in a longtime Viet Cong sanctuary for more than a month were still whipping through the heavy brush. A U.S. spokesman said the winds had shifted north but heavy smoke precluded evaluation of damage in the forest.

U. S. Navy ships plying the coast of South Vietnam continued to bombard the tinderbox forest with rockets to keep the fires going.

A U.S. Army observation pilot directed artillery fire against "an undetermined number of enemy tanks" he reported sighting in the demilitarized zone about six miles north of the U.S. Marine post at Con Thien. There was no word on the result of the shelling.

The U.S. Command reported today that allied forces captured more than 15,000 individual and 3,300 crew-served enemy weapons in the first three months of 1968—enough, it said, to fully equip the infantry battalions of more than four North Vietnamese army divisions.

## Books Displayed At High School

A display of 425 new books for teenagers which also would have interest for adults is on exhibit at the Escanaba Area High School between 8:15 a.m. and 4 p.m. this week.

The books deal with today's changing world and school systems across the country have recognized the display as the "one complete and dependable reviewing-evaluating resource available."

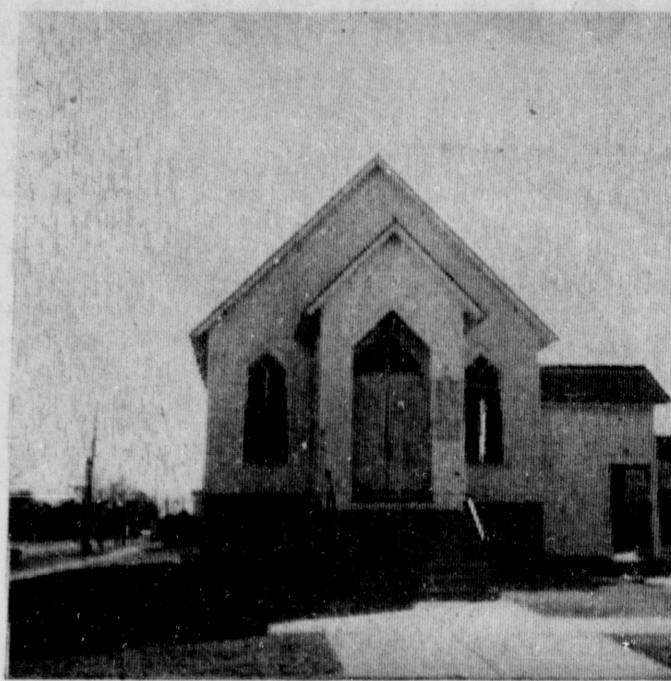

A total of 66 leading publishers are involved in the collection which spreads over about 80 subject classifications. The exhibit is covered by curriculum-related, annotated and indexed catalogs for use by teachers, librarians and administrators considering new instructional materials.

## Four-Seat Rover

LONDON (AP)—Rover Co., a subsidiary of British Leyland Motor Corp., is adding to its line a new four-seat automobile aimed at the North American market, where it's expected to be available later this year.

Initially it will be available only in Britain, where it will sell at a basic \$3,360.

## Going . . .

BULLDOZERS MOVED IN and down came Christ the King Lutheran Church in Escanaba to make way for a new edifice. The original structure was built in 1905 by Bethany Lutheran Church and was improved in 1922. Now it is gone, as these photos (taken April 1) show. The Rev. Erlend Carl-

## Going . . .

son, pastor of Christ the King Lutheran Church, reports that the new church building is progressing on schedule. Footings for the new church have been laid and the walls are now going up. The hoped-for completion date is Dec. 1, 1968.

## Gone!

## Negroes Bolt As Churches Merge

DALLAS, Tex. (AP) — Final steps were being taken today for America's biggest church merger amid tensions underscored by a walkout of some Negro Methodists from a vast, solemn service of Holy Communion.

They staged the action to dramatize their charge that racism remains in plans for the new denomination—the United Methodist Church.

To be formally inaugurated Tuesday, it will join the 10.3-million-member Methodist Church and the 746,099-member Evangelical United Brethren Church into a single body.

"In sorrow we perceive a United Methodist Church still divided by the infamy of segregation and discrimination," said a statement by the protesting group, Black Methodists for Church Renewal.

Their walkout occurred in a hushed interlude of a mass celebration of the Lord's Supper Sunday night in the Dallas Memorial Auditorium.

About 40 Negroes, joined by more than a score of sympathetic whites, quietly filed out as the bread and cup were being distributed to a throng of about 10,000 church delegates and visitors.

The Rev. Cecil Williams of San Francisco spokesman for the demonstrators, said they refrained from taking communion to symbolize "the brokenness in the fellowship."

Their statement said they found no indication that the united church "intends to take

immediate steps to deal with racism in its structural life," or to assure Negroes adequate representation on official boards.

They criticized particularly the plan to continue temporarily in the united church some aspects of a separate Negro Methodist jurisdiction, with 1972 a target date for eliminating it.

Some of it already has been incorporated into white counterparts, but elements of it remain. The church has more than 350,000 Negro members.

## Briefly Told

Hearing and vision screening will be held for children 3½ to 5 years, who are not entering school this fall, at the Delta County Building on Wednesday. Testing will be from 8:30 to 11:30 a.m. and 1 to 4 p.m. No appointments are needed.

Two Escanaba boys, 12 years old, who ran away from home, were apprehended in Ishpeming and were returned to their parents. In Escanaba they took \$20 from the Mileage Service Station, and this was recovered, police reported.

Investigation of an attempted breaking and entering of a new furniture store at 1809 Washington Ave. is being conducted by city police. A window was broken but the intruders apparently were frightened off before they could gain entry.

Harry Blixt, 51, Rte. 1, Escanaba, struck a cow with his car on County Rd. C-9 in Wells Township about 1:10 a.m. Sunday, State Police reported. The stray animal was owned by Elmer Johnson, Rte. 1, Escanaba, State Police reported. Blixt was not injured.

Marvin Gudwer, 17, of Rte. 1, Powers, was ticketed by State Police for violation of the basic speed law after a traffic accident at 6:55 p.m. Saturday. Officers said Gudwer ran off U.S. 2 and 41 in Wells Township and struck a car owned by Robert Homernik, Rte. 1, Escanaba. Homernik's car was parked in his yard, officers reported.

Escanaba police have issued traffic court notices to Clifford E. Larson, Wells, Jerome DeBacker, Cornell Rte. 1, Delores Markham, 104 S. 10th St., Richard A. Parlatto, 1610 1st Ave. S., Marjorie Snyder, 2325 Ludington St., Robert A. Stevens, 311 N. 12th St., Roy D. LaCarte, Cornell Rte. 1, William C. Anderson, 321 1st Ave. S., Delore M. King, 940 Stephenson Ave., Douglas R. Possi, Wells, Marie LaMarche, 920 2nd Ave. No., all for speeding; Richard D. Desjardin, Bark River Rte. 1, improper turn; Francis C. Roberts, 218 S. 14th St., Randall W. Steinhansen, 1129 N. 18th St., both for competitive driving; Lorin H. Blowers, 1309 N. 22nd St., failing to report a property damage accident.

State Police have issued traffic summonses to the following motorists: Richard L. Jacques, Rte. 1, Escanaba, no operator's license; David R. Lark, 521 Ogden Ave., speeding; Gust J. Trotter, 800 S. 15th St., failed to yield right of way; Edward A. King, Rte. 2, Rapid River, no operator's license; Gary A. Brown, 1200 S. 13th St., improper lane usage; Joseph R. Beaver, Rte. 3, Rapid River, no operator's license; Thomas A. Eugate, Rte. 1, Gladstone, disregarded stop sign; Peter J. Albrecht, 1721 Dakota Ave., Gladstone, defective brakes; John F. Gendron, 413 Montana Ave., Gladstone, speeding; Lester Sexton, Box 209, Escanaba, no operator's license; Gordon Couillard, 215 Wisconsin Ave., Gladstone, no operator's license; Henry Thorbahn, 1425 Wisconsin Ave., Gladstone, excessive muffler noise; James Burroughs, 1212 Lake Shore Dr., Gladstone, driving left of center; Thomas Hite, 624 Superior Ave., Gladstone, unsafe start; Dayton Dahn, Brampton, defective equipment - no turn lights.

## Mrs. L. Johnson Taken By Death

Mrs. Lena E. Johnson, 82, of 1320 N. 19th St. was found dead at her home on Saturday afternoon. She was born Jan. 26, 1886 in Finland and had resided in Escanaba for the past 60 years. Her husband John died March 3, 1967.

She is survived by one daughter, Mrs. Axel (Ina) Erickson of Escanaba; two sons, Harry of Detroit and Ragnar of Escanaba, 10 grandchildren and 11 great grandchildren.

Friends may call at the Anderson Funeral Home from 4 to 9 p.m. today and complete funeral services will be conducted at 11 a.m. Tuesday at the funeral home with the Rev. Karl J. Hammar officiating. Burial will be in Lakeview Cemetery.

## Jacobetti Asks Funds For U.P. Detention Home

Rep. D. J. Jacobetti, (D-Negaunee) announces he will amend Senate Bill 841 that provides for the general fund capital outlay program in Michigan.

"My amendment would appropriate \$200,000 to complete plans and start construction of a regional detention and diagnostic facility under the supervision of the Department of Social Services," Bernard Houston, director of the Department, said that he has contemplated construction in Marquette. (Total cost of this project would be \$500,000.)

A facility of this nature is needed in the Upper Peninsula for the detention and treatment of delinquents, Jacobetti said and the nearest facility is in the southern half of the Lower Peninsula. Children are held in county jail custody where other detention facilities are lacking.

Judge Michael Defant and the Upper Peninsula Probate Judges Association have requested that the Legislature provide facilities for the care and treatment of emotionally disturbed and psychotic children and detention facilities for neglected and delinquent children.

## Two Men Given 30 Day Terms

Two young men from Delta County each have been sentenced to 30 days in the Delta County jail by Justice Ross Davis of Gladstone after they pleaded guilty to contributing to the delinquency of minor girls.

Paul E. Johnson, 22, of 1008 2nd Ave. N., Escanaba, and John R. Christensen, 20, Bark River, were arrested Friday by Delta County Sheriff's officers. They appeared in court Saturday.

Deputies said two girls, ages 12 and 13, were involved.

## Trenary

Class Play "Which Shall He Marry," will be presented by the Junior Class on April 22 at the Trenary High School gym. Tickets may be purchased from members of the junior class or at the door for the 1 p.m. matinee and the 8 p.m. evening performance. Members of the cast are Timothy Harris, Maureen Webber, Karen Hendrickson, Ruth Wright, Arlene Conine, Mary Lee Weber, and Diane Rukilla. Sophomores taking part in the play are Marcia Ostanek and Hebert Harris.

The students of Trenary High School are planning a spring formal to be held on May 10. The theme is "Paradise Isle." It will be from 9 p.m. to 12 midnight in the Trenary High School Gymnasium and music will be provided by the "Rhythm Rockers." The dance will be by invitation only and semi-formal dress will be in order.

## Crown King, Queen:

# 4-H Top Talent Chosen At Show

Four hundred Delta County 4-H Club members, leaders and parents enjoyed the annual Talent Program held Saturday afternoon at the Escanaba Junior High School auditorium.

Crowned queen and king were Miss Kristine Sjoquist, 16, of Gladstone, and Norman Dittich, 16, of Hyde.

They were selected from a group of candidates including Ruth Olson, David Novak, Bonnie Larson, Melinda Thomma, Ginger Eagle, Barb Fudala, Carol Vieu, Susan Sylvester, Cynthia Niemi and Patti Brayak.

Cindy LaFleur and Norman Dittich were mistress and master of ceremonies. The judges of the king and queen contest were Mrs. Raina Niemala, Manistique; Mrs. Willard Borman, Soo Hill and Mrs. Frank Lundberg, Rapid River.

Participating in the opening ceremony were Kristine Sjoquist, Mary Jo DeKeyser and Nancy Weldum. The ceremony emphasized patriotic Americanism.

There were 27 acts in the program. The talent judges were Sister Marie Cecile of Gladstone, Mrs. Thomas Vietzke of Escanaba, Mrs. Joseph Davis of Manistique and Manley Anderson of Escanaba.

Winners among the large groups were:

All American Girls, vocal group, Patti Plouff, Lynne Madden, Kathy Hirn, Cheryl LaFleur, Cindy LaFleur, Debra Bero, Kathy Madden, all members of the Gladstone Community 4-H Club.

"Sound of Music" vocal medley, Ruth and Regina Olson, Carolyn Nelson, accompanied by Karen Olson. All are members of the Ensign 4-H Club.

The alternates were "The Bent County Bachelors" group.

## Always Believe In God, Advises Senior Rev. King

DETROIT (AP) — The Rev. Martin Luther King Sr., father of the assassinated civil rights leader, Martin Luther King Jr., delivered a sermon Sunday to the congregation of Detroit's Greater New Mount Moriah Baptist Church.

"I thank God always for what I have left," the elder Rev. King said. "No matter how rough the going may be, always thank God for what we have left. Well it gets dark up there, it gets so dark. Always be able to believe in God," he advised the congregation.

Martin Luther King Jr. was gunned down in Memphis, Tenn., April 4.

# FOR SALE

The CITY OF ESCANABA will receive sealed bids at Office of the Purchasing Agent, 124 No. 8th St., on or before 2:00 P.M., May 10, 1968 for the sale of one Boyer 500-GALLON FIRE PUMPER ON A 1947 FORD TRUCK CHASSIS with the following accessory equipment:

- 1 - 500-gallon Water Tank
- 1 - 30 ft. 2-section Aluminum Ladder
- 1 - 16- ft. Roof Ladder (aluminum)
- 2 - 1" Booster Hand Reels
- 2 - 10 ft. lengths 4" Hard Suction Hose with fittings

The City of Escanaba reserves the right to reject any or all bids. For further information contact Fire Chief at the City Hall Fire Station.

# 122 Dead; Gems Lost In African Jetliner Crash

WINDHOEK, South-West Africa (AP) — A \$700,000 shipment of diamonds was missing today in the wreckage of a South African jetliner that crashed Saturday night, killing 122 persons.

Six persons survived the crash, including American diplomatic courier Thomas Taylor. The U.S. diplomatic pouches he took aboard in Johannesburg, South Africa, were recovered from the wreckage Sunday.

South African Airways' newest Boeing 707 had just taken off from Windhoek, first of four stops on a flight from Johannesburg to London, when it began to wobble and plummeted out of

sight. Watchers at the airport heard a crash and saw flames spurt into the sky.

Rescuers said they found Taylor beside the wreckage and he told them: "Don't worry about me. See to the others." Taylor, 36, of Tahlequah, Okla., was reported in good condition.

The airline identified three other American passengers: Dr. E. Fussenegger, connected with the Austrian textile industry, who was killed; M.R.P. Roche and Benjamin Thomas Jr., 57, director of European operations for Southeastern Engineers Inc. of West Point, Ga.

The airline did not say whether either Roche or Thomas was the one survivor whose name had not been made public. It also gave no home towns but said Thomas had been living in Yorkshire, England.

The crash of the Boeing 707, delivered from the United States less than a month ago, was among the most costly in lives in aviation history.

It came just a year after a chartered Swiss plane crashed at Nicosia, Cyprus, killing 126 persons. In the worst single-plane crash ever, 133 persons were killed in February 1966 when a Japanese jetliner plunged into Tokyo Bay.

## Obituary

**CAROLINE JANE SCHAUT**  
Honorary pallbearers for the Caroline Jane Saut funeral Saturday included, Bob and John Saut, Charles Snyder, Bruce Stenberg, Vincent Saelta, Lawrence Derusha and Charles McMartin.

**MARGUERITE CAMPBELL**  
Funeral arrangements for Miss Marguerite Campbell have been completed as follows: friends may call at the Boyce Funeral Home from 3:30 to 9:30 p.m. today and parish prayers will be recited at 8 p.m. Funeral services will be conducted at 10 a.m. Tuesday at St. Thomas Church and burial will be in Holy Cross Cemetery.

GEORGE MCINTYRE, center, director of Cooperative Extension services at Michigan State University, center, commends Lester Walcutt, right, on long and able service to the youth of Menominee County as their 4-H Club agent. The greeting was given at the Fireside Restaurant, Manistique when Extension agents of the Upper Peninsula met last week with directors of the service from the MSU campus at East Lansing. Walcutt is retiring this spring. He has been a teammate of Gail Bowers, left, director of MSU Extension services in Menominee county and agricultural agent. (Daily Press Photo)

# Extension Is Told U.P. Trade Grows

By BARBARA JOHNSON  
Profiling the Upper Peninsula's people, and how the land has influenced their life, Jean Worth, editor of the Escanaba Daily Press, addressed the quarterly U.P. Cooperative Extension professional staff conference Thursday afternoon at the Fireside.

"We are a huge geographic area — a third of the state of Michigan — but we have only three per cent of the population," said Worth.

"We are people of varied racial stock — under-educated, provincial, unsophisticated — but loyal, honest, and industrious."

"We are primitive in ways many people find distinctive. We are the children of little-educated parents who had the willingness, desire, and insistence to educate their children."

**Skills Are Influence**

"We are a people of a land employing the minor skills of fishing, lumbering, and mining. Yet our greatest resources is our people."

"We are not conditioned to modern living by urban standards. Rural living in a rural age is one thing; rural living in an industrial age is another, and very different."

"Most of our enterprising young people leave to make their careers elsewhere, yet they maintain a fierce loyalty to the Upper Peninsula."

Worth noted the progressive spirit currently stirring the Upper Peninsula and the tremendous changes industry has wrought in employment and means of livelihood in the past 50 years.

**Extension Lauded**

"Adult society is the most difficult to change," he said, "and Extension has had a great role in this change. We have been fortunate that a dedicated and able group of people are in Extension helping in this transition."

The conference opened Wednesday noon with Frank Molinare, field operations director, Marquette, presiding.

David M. Kelly, president of the local Chamber of Commerce, welcomed the group to Manistique.

Wednesday afternoon was devoted to a general briefing on Extension principles and an evaluation of the past year's Extension TV program originating on Channel 6, Marquette.

**McIntyre Speaks**

Association meetings were held Wednesday night following dinner.

Thursday's session opened

## Student Values Affect Grades

SAN DIEGO, Calif. (AP)—A pupil whose values are similar to his teacher's will receive higher grades than he otherwise would, a Michigan researcher said here.

Dr. Walter L. Thomas of Grand Rapids told the Association for Childhood Education International's Study Conference that teachers tend to give highest grades to pupils they like.

"I hated to find that out," Thomas said of findings in a research project involving 25 classrooms, each with about 35 pupils, in Indiana, Illinois and Michigan.

Thomas is director of the federally financed four-year Project on Student Values at Grand Rapids, designed to devise curriculum materials to improve children's values.

He said year-end cumulative grades were compared with results of "value tests" given by researchers to children and teachers.

"The more similar the values of the child and the teacher, the higher the student's grades will be," he said, regardless of intelligence and achievement.

"We are playing games with ourselves" because teachers allow their own prejudices to influence their grading, Thomas said.

He said the same pattern exists from kindergarten through college, where he said it is even more evident because professors receive only two or three papers from their students.

## Fewer Cattle

LANSING (AP) — Michigan cattle feeders had 172,000 head of cattle and calves on feed as of April 1. The State Crop Reporting Service said this was 11,000 down from a year earlier and 15,000 below the total for last Jan. 1.

tailed a preliminary conference in January with the heads of three planning agencies — the Conservation Department, the Department of Commerce, and Gov. Romney's office — which explored the possibilities of Alger County applying for Housing and Urban Development.

A report from federal and state planning committees at an April meeting detailed progress made and specified how the park would help develop Alger County.

### Ask HUD Funds

A decision was made to apply for HUD funds with the governor's office coordinating the various agencies interested in development.

An Overall Economic Development Planning Commission, responsible to the Alger County Planning Commission, has been established and will incorporate recreational planning and zoning, Handorf and Gummerson said.

Lester Walcutt, retiring after 22 years service with Extension as Menominee County 4-H Youth Agent, was honored by the conference at dinner Thursday evening.

Dr. Paul Wooly discussed pesticides with a slide presentation following dinner Thursday night.

The conference adjourned Friday noon following group evaluation of progress in the areas of home extension, agriculture and natural resources, and 4-H work.

Other MSU campus specialists attending the conference in addition to McIntyre were Einar Olstrom, natural resources; Iain Christie, motel-hotel-restaurant school; Dr. Gordon Beckstrand, state head of 4-H programs; Mrs. Lois Humphrey, family living and home economics; all of East Lansing, and James Gooch, continuing education director, Marquette.

## Hospital

Admitted to Schoolcraft Memorial Hospital on Friday were Elsie Cowman and George Boelter. Discharged were Joseph Cota, Ruby Freeman, Marguerite Cantrall, Barbara Clement, and Spar Sager.

## In Service

Army Pvt. Dale R. Burley, 18, son of Mr. and Mrs. Cecil E. Burley, 516 Oak St., Manistique, was assigned as a construction engineer with the 84th Engineer Battalion near Qui Nhon, Vietnam.

# MANISTIQUE

## Summer School Pupils Register

Summer school registrations will be accepted this week for students who will attend the five week classes in basic skills.

Students will be given registration forms by their teachers which must be completed by parents and returned by Friday.

The summer session will begin June 24 with three hours of daily instruction in the fields of language arts and mathematics. Centers will be established at Doyle School and in Manistique for students.

The summer school program is being financed entirely with federal funds under Title I of the Elementary-Secondary Education Act.

For further details about the program or registration, contact Miss Evelyn Berwin, Basic Skills Coordinator at 341-2195.

## Lions Sell White Canes This Week

Manistique Lions Club members will be selling White Canes on Thursday, Friday, and Saturday of this week.

White Cane Week is a project of Lions International with proceeds channeled for local civic improvement.

In the past three years Manistique Lions have contributed \$566.61 to their sight fund; donated \$150 to the Bay Cliff Health Camp; \$210 was sent for leader dogs for the blind; and \$400 contributed toward a Flame Photometer for Schoolcraft Memorial Hospital.

White Cane is the national symbol of the blind.

## Briefly Told

**The Pioneer Homemakers Extension Study Group** will meet at the home of Mrs. Alec LaLonde, 543 Michigan Ave., at 8 p.m. Tuesday.

**The hot-lunch menu** for Tuesday at Fairview, Doyle, Central, and Hiawatha schools will be baked beans, cabbage salad, pickled beets, and pineapple crumb pie.

**The Manistique Recreation Commission** will meet Wednesday at 7:30 p.m. in the library.

**The Study Club** will meet tonight at the home of Mrs. Carl Makel with Mrs. John Kelly assisting hostess. Mrs. William Hood will present the review.

**Order of Eastern Star** are sponsoring a 6:30 dinner on April 30 for the Past Matrons and Patrons. Tickets may be obtained by calling Mrs. Franklyn Burgess at 341-2612 or Mrs. Cecil Taylor at 341-2073.

Two U. S. vice presidents served under more than one president—Clinton with Jefferson and Madison, Calhoun with P. Q. Adams and Jackson.

## Book Is Memorial For Msgr. D'Amour

"Pilgrimage To Utopia," by Father James Drane, has been presented to the St. Francis de Sales Parish Library in memory of the late Msgr. O'Neil D'Amour, superintendent of schools of the Catholic Diocese of Marquette.

The book is a chronicle of Father Drane's visit to the Soviet Union, his impressions of the country and people, and the unrestricted conversations he held with citizens from many walks of life.

The book has been processed and is available for circulation.

## City Budget On Council Agenda

City Council will meet in regular session tonight at 7:30 at city hall to consider an interim budget for the period May 1 to June 30, 1968.

Other items on the agenda include a request from Leo DeMars to change the zoning on his mill property from light industrial district to heavy industrial district.

Tabled item on the agenda is Trailer Ordinance No. 128 now suspended.

## City Briefs

Mr. and Mrs. Leonard Walters, Lakeshore Drive, have returned from Detroit where they attended funeral services for Elmer Walters, brother of Leonard Walters.

Elmers Walters retired two weeks ago, at the age of 62, after 42 years employment with the Pullman Co. as assistant superintendent of electrical and maintenance department. He was a yearly summer visitor in Manistique for the past 33 years and had many friends in this area.

## Social

**Bridge Club**  
Mrs. William Hentschell met with her bridge club Thursday evening at her home on Oak St. Bridge awards went to Mrs. Earl H. LeBrasseur, Mrs. Ralph Williams, and Mrs. Hentschell. The special award went to Mrs. A. J. Cayia, Jr. Mrs. Jan McKilligan was a guest.

The United States produced a record 3.2 billion barrels of oil during 1967.

A TWO-MAN DELEGATION from Manistique visited the State Capitol in Lansing recently to bid for proposed improvements in Manistique harbor. From left going over the plans are Fred Cayia, Manistique city councilman and member of the Harbor Commission, State Rep. Charles H. Varnum (R-Manistique), and Robert Noe, Manistique city manager. Varnum arranged a meeting for the city officials with the Michigan Waterways Commission, where the plans for the harbor marina were submitted. Noe and Cayia said that their presentation was favorably received by the commission. Varnum indicated that he will try to get the project on the priority list.

# Vardigan Sets New Meet Mark

MARQUETTE — John Vardigan of Escanaba High School set a new pole vault record with a vault of 12 feet two inches at the ninth annual Northern Michigan University Intercollegiate Indoor Relays Saturday.

Vardigan's jump surpassed the old record of 12 feet one inch set by Mike Pancheri of Kingsford in 1963.

Since team awards are not made at this meet, official point totals are not kept. In the un-

# January Wins Champ Tourney

LAS VEGAS, Nev. (AP) — Don January breezed to victory in the \$150,000 Tournament of Champions golf tournament and then discovered it wasn't so easy after all.

The current National PGA champ, who leads the touring pros into his native Texas home grounds at Dallas today, fashioned his second straight 69 Sunday, two strokes under par, for a 72-hole tournament course record of 276, eight under par.

But it wasn't until after he parred the last two holes that he learned charging Julius Boros had missed catching him by only one stroke and one roll of the ball with a sizzling final round 66 for 277.

"I didn't know what Moose was doing," January confessed later. "I was a little upset that I didn't know he was so close."

It could have been even closer — a tie or even defeat for January. On the final hole Boros faced a 45-foot chip for an eagle three which at that stage would have tied him with January playing two holes behind.

The ball did just an inch or so from the hole, Boros got the birdie which led to a typical Boros understatement.

"Another roll of the ball and it would have gone in," he said simply. No mention that it was a putt for an eagle and possibly the difference between January's \$30,000 and the \$18,000 he got for second place.

Young Randy Glover of Florence, N.C., finished with a 68 for 279 and \$12,000, while the sentimental favorite of many, Bob Goaly, after a disappointing 75, tied with Gardner Dickinson, 69, at 281.

Goaly, who a week before had captured the famed Masters, led January by one stroke entering the round. But, said the sporting Bob, where the ball had been rolling in, Sunday it didn't.

# Cougars Looking For 2nd Straight

DETROIT (AP) — The Detroit Cougars will be looking for their second straight North American Soccer League victory when they meet Boston Beacons in Boston Tuesday.

The Cougars defeated the Vancouver Royals 2-1 Saturday on a pair of goals by Johnny Kerr. Willie Hunter assisted on both Detroit goals. Henry Klein scored the lone Vancouver goal.

The victory evened Detroit's record at 1-1. Vancouver now stands 3-2. The Cougars return to Detroit Friday for a match with the Toronto Falcons at Tiger Stadium.

# Oliva Powers Minnesota To Victory Over Yankees

By The Associated Press  
Tony Oliva broke an 0-for-13 slump by powering a two-run homer Sunday which carried the Minnesota Twins to a 5-2 victory over the New York Yankees.

Oliva's 380-foot homer into right field bleachers scored Rod

# Pirates Defeat Giants; McBean Wins Third Game

By The Associated Press  
Pittsburgh's Al McBean swears by the potent hitting of the Pirates which has helped him to a 3-0 record this season. Teammate Bob Veale isn't sure players use the same bats when he's pitching.

McBean got 10 more runs with which to occupy himself Sunday and shut out San Francisco 10-0. That's 25 runs in 27 innings that the Pirates have given McBean to work with this season — a mere 22 more than Veale, 0-2, has had.

In other National League games, Philadelphia pounded Houston 8-0, Atlanta whipped Cincinnati 5-2, St. Louis battered Chicago 9-2 and Los Angeles swept a doubleheader from New York 7-6 and 3-2.

The shutout lowered McBean's earned run average to 1.67 — four hundredths of a point higher than Veale's figure. Each pitcher has allowed five runs in three games.

Roberto Clemente and Willie Stargell tagged consecutive homers in Pittsburgh's big fourth

inning and McBean just coasted.

Atlanta's Aaron brothers—Hank Tommie — wrecked Cincinnati. Hank smacked three hits including his fourth home run and drove in two runs and Tommie drove in three runs with a pair of singles.

Dick Kelley earned his first career victory over the Reds with late-inning help from Claude Raymond.

Nelson Briles won his 13th straight game — 10 including one in the World Series last year and three this season — as the Cards ripped the Cubs. Ken Holtzman, who won nine straight without a setback last year, took the loss.

Orlando Cepeda smacked a two-run homer, Julian Javier had three hits and Tim McCarver drove in three runs to lead the St. Louis attack.

Woody Fryman hurled a two-hitter and Rich Allen drove in four runs with three hits as the Phillies walloped Houston.

Allen led a 10-hit Philadelphia

attack with a single, double and home run while Fryman throttled the Astros and won his second game.

Ron Swoboda tagged home runs in both games and took the major league lead with five but couldn't prevent the Mets from losing a pair to the Dodgers.

Zoilo Versalles drove in four runs with a double and triple as Los Angeles rushed six runs across in the last two innings to take the opener. The Dodgers completed the sweep with airtight relief from Phil Regan and John Billingham in the nightcap.

Regan got credit for both victories.

Tiger Franchise Saver Dead At 75  
PHILADELPHIA (AP) — The Rev. Aloysius Stanislaus Travers, credited with saving the American League franchise of the Detroit Tigers while allowing a record 24 runs in his one-day career as a major league pitcher, is dead at 75.

He died Sunday at Misericordia Hospital.

Father Travers got his baseball chance by a fluke on May 12, 1912 — and it earned him renown as the man who saved the franchise for the Tigers.

Detroit came to Connie Mack Stadium, then Shibe Park, to play the Philadelphia Athletics. But the Tigers big star, Ty Cobb, had been suspended for hitting a fan and the rest of the team walked off the field, refusing to play.

Detroit management was desperate. Father Travers, then assistant baseball manager at St. Joseph's College, recruited a group of sandlotters.

"I was to play right field but I learned that whoever pitched would get \$50," Father Travers recalled years later. "So, I volunteered."

The A's scored 24 runs, 10 of them unearned, on 25 hits. Father Travers taught at St. Francis Xavier High School in New York City, later became dean of men at St. Joseph's College, and for 25 years until his death was a member of the faculty of St. Joseph's preparatory school.

Funeral arrangements were incomplete.

# Tigers Sweep Ninth Straight; Drop Sox

CHICAGO (AP)—The Detroit Tigers had just swept to their ninth straight victory of the young American League season Sunday, dumping the winless Chicago White Sox twice, 4-1 and 4-2.

But even though the Tigers hadn't lost a game since opening day, the clubhouse was relatively subdued.

"This is not a spontaneous group, which is good," said Detroit Manager Mayo Smith. "You get up and down too much."

"They've got a job to do and they do it. It's a better club than last year because we've had a year to get together. The experience of being in contention last year has helped us immensely."

Yet there is no hiding the fact that the Tigers, winners of nine straight after an opening day loss to Boston, are in first place today, leading the American League by 1 1/2 games.

Some fine pitching and clutch hitting by Earl Wilson and Denny McLain, plus some disturbing fielding by Chicago third baseman Pete Ward carried Detroit to its sweep.

The victories left Detroit only five games short of its longest winning streak of 14 games, accomplished in the pennant-winning years of 1909 and 1934.

"Every mistake we make now seems to mean a ball game, and unfortunately mistakes have been mine," said a downcast Ward, whose errors or misplays have directly contributed to four Tiger triumphs.

"Nobody likes to hear boos and I can't blame the fans," he added. "They come out to see big league baseball and we should give it to them."

Ward bobbed a pair of ground balls, one in each game, to open the door for a pair of game-breaking Detroit rallies.

Bill Freehan's single with two out in the second inning got the Tigers rolling in the first game. Loser Joe Horlen then hit Jim Northrup with a pitch and Ward bobbed Roy Oyler's grounder, filling the bases. Wilson singled home two runs and two more scored on Dick McAuliffe's triple.

In the fourth inning of the second game, Norm Cash walked and Freehan beat out a bunt. Oyler singled off Ward's glove, loading the bases, and McLain's single scored Cash.

A single by McAuliffe, a walk, Ward's error on a potential

double play tap by Willie Horton and a single by Cash accounted for two more runs in the fifth. A throwing error by shortstop Luis Aparicio in the seventh helped the Tigers tally their final run.

"You have to admire that man (Ward)," said Chicago Manager Eddie Stanky, whose White Sox now have lost nine straight. "He got a going over and stayed right in there like a professional."

Ward helped Detroit win two games last week when he misjudged a fly ball for a two-run double in one game and then allowed the winning run on a base hit off his glove in the 10th inning of a second.

To his credit, the Chicago third sacker belted a pair of homers in the twinbill, driving in all three White Sox runs. He hit a solo shot off Wilson in the first game and belted a two-run homer off McLain in the ninth inning of the nightcap.

The Tigers have the day off today, but move on to Cleveland Tuesday for a two-game series with the Indians.

"This club worked hard all spring and now realizes that the early games are just as important as the September games," said Smith. "All I can hope is that they stay healthy."

## Basketball's Old Folks Rally For Victory In Championships

BOSTON (AP) — Pro basketball's collection of old folks, better known as the Boston Celtics, may be tired in the waning days of a long season, but they're acting like a bunch of sprightly kids.

With a starting lineup averaging more than 33-years-old, and the two top reserves averaging nearly 30, the Celtics rallied from a 15-point second half deficit for a 107-101 victory over the Los Angeles Lakers Sunday.

"We discussed our defense at halftime," Boston player-coach Bill Russell said after leading the Celtics to a 1-0 advantage in the best-of-7 series for the National Basketball Association championship.

"It wasn't a very friendly conversation," Russell added with a smile. "I spoke to myself about it, too. I played lousy in the first half."

Russell, a 12-year NBA veteran at the age of 34, was the only player on either side to play all 48 minutes. He scored 12 of his 19 points and grabbed 16 of his 25 rebounds in the second half.

The Celtics, seeking to regain the championship they surrendered to Philadelphia after an eight-year reign last season, figured to be tired after winding up a rugged seven-game series with the 76ers Friday night. The Lakers were healthy and rested after completing a four-game sweep against San Francisco April 13.

The Celtics jumped out to a 20-9 lead, but suddenly went cold. The Lakers closed to within 29-28 at the end of the first period and then stormed to a 61-48 halftime advantage.

"That start bothered me a little, all those bad shots going in," Russell said. "It's pretty hard to tell guys who wink three bad shots in a row they are taking bad shots and to cut it out."

The Lakers managed to hit on just six of 26 field goal attempts while Boston was 10 for 21 in outscoring Los Angeles 26-16 in the final minutes. Jerry West and Elgin Baylor had 25 and 24 points, respectively, for the

Lakers, but had a combined total of only eight in the fourth period.

The second game of the series is scheduled for Boston Garden Wednesday night. The two teams then will play Friday and Sunday in Los Angeles. Other games, if necessary, will be in Boston April 30, at Los Angeles May 2 and in Boston May 4.

The American Basketball Association final playoff series between Pittsburgh and New Orleans, tied at 1-1, also resumes Wednesday, in New Orleans.

## Murphy Captures Double Victory In Kansas Meet

LAWRENCE, Kan. (AP) — Lt. Jim Murphy was voted top man, Chuck Rogers pole vaulted 17-0½, Charlie Greene tied the world 100 meters record and Jim Ryun proved his injured leg is sound at the 43rd Kansas Relays.

Murphy received 11 votes as Most Outstanding Performer for winning both the 5,000 and 10,000 meters, a double unprecedented in meet history. Rogers received 10 votes for becoming the 13th man in track history to vault 17 feet, and he doesn't practice much due to an arthritic knee.

Greene won five votes for his 10.0 time attained by only eight others, six of whom are listed in the record books. Two others have pending 10.0s.

Ryun didn't receive any votes, but he was the man most of the crowd of 20,000 had paid to see. His 3:42.5 was a meet record in the Glenn Cunningham 1,500 meters, equivalent to a 3:59 mile. But the big news was his closing burst of speed—26.3 for the last 220 yards.

"I didn't feel anything and it stayed loose all the way," he said. It was feared the severely

pulled hamstring in his left leg March 26 might jeopardize Ryun's Olympic hopes. He had hoped to run about 3:40, but he was happy. His world 1,500 mark is 3:33.1.

Jim Hines, who shares the world 100 meters record, was disqualified for two false starts. Hines was disgusted and the crowd displeased.

Murphy, a 23-year-old Chicago native, held off a closing burst by former Olympic 10,000 meter champion Billy Mills to win the 5,000 in 14:23.6. He won the 10,000 Thursday in 29:51.6. This weekend at Drake he'll face Pan American champion Van Nelson of St. Cloud, Minn., State.

Randy Matson, the world's only 70-foot shot putter, won a special open event at 67-11, busting his own stadium record by more than two feet. Doug Knop of Kansas set a meet mark of 181-11½ in the discus and Lennox Burgher of Nebraska broke the meet triple jump record with his 51-6½.

## Quarry, Ellis Meet Saturday

By The Associated Press

Hard-hitting Jerry Quarry of Los Angeles and boxer Jimmy Ellis of Louisville, Ky., meet for the World Boxing Association's heavyweight championship Saturday night at Oakland, Calif.

The 15-rounder, final round of the eight-man tournament, will be telecast nationally and overseas from the Oakland Coliseum arena by ABC-TV. The show time will be from 9:30 p.m., to 11 p.m., EST. A 150-mile area around the San Francisco Bay area will be blacked out.

Quarry, 22, outpointed Floyd Patterson in 12 rounds, and stopped Thad Spencer in the 12th round of his two elimination bouts.

The Californian, unbeaten in his last 10 fights, has a 26-1 record with four draws. He has scored 15 knockouts.

Ellis, 28, stopped Leotis Martin in the ninth round and outpointed Argentina's Oscar Bonavena in 12 rounds to reach the final. His record is 25-5 including 13 knockouts. He has won his last 10 fights.

Each will collect \$125,000 for the final.

The winner probably will take on Joe Frazier of Philadelphia in a fight-off for the world title that was taken away from Cassius Clay. Frazier is recognized as world champion in five states.

Fish drink.

## Blues Defeat North Stars 5-3

ST. LOUIS (AP) — The way the St. Louis Blues feel, if they're down by one man, that might just give them the edge.

It worked that way for the Blues Sunday as they beat the Minnesota North Stars 5-3 in the first game of the National Hockey League West Division playoff finals. The Blues went ahead with a three-goal outburst with-

in about three minutes in the second period.

Bill McCreary scored the key goal in the flurry while the Blues were short-handed. Terry Crisp assisted on the goal. It was the second time in the playoffs the two had combined on a short-handed goal.

The Blues were down 2-1 when the three-goal flurry started.

Frank St. Marseille and Dick Moore scored power-play goals to put the Blues ahead. Minnesota was two men short on St. Marseille's goal.

Then McCreary and Crisp teamed for the decisive goal. Wayne Connely followed with his second goal of the game to bring the North Stars within a point.

Wingers Dave Balon and Billy Collins of the North Stars were doubtful starters tonight after being injured Sunday. Balon suffered a bruised wrist and Collins sustained a slash near the elbow.

The next two games of the East Division finals between the Montreal Canadiens and the Black Hawks will be held in Chi-

cago Tuesday and Thursday. If the Chicago players' play had been as hot as Billy Reay's temper, the Stanley Cup playoff picture might look a lot brighter for the Black Hawks.

Reay, Chicago's coach, assessed two bench penalties and the second led directly to a Montreal goal in the Canadiens 4-1 victory Saturday night.

## Football, Basketball Increase Attendance

NEW YORK (AP) — Football and basketball had the largest attendance increases in 1967 while horse racing and baseball suffered declines, a survey of sports attendance showed Saturday.

The survey, the 21st conducted by the Morning Telegraph and Daily Racing Form, also found that racing retained its position as the country's No. 1 spectator sport for the 16th straight year.

Total attendance for racing, both thoroughbred and trotting, was 67,797,688, a decrease of 697,766 from 1966. Baseball's drop was even bigger — 764,662 to 34,699,590.

That decrease plus football's increase put football in the No. 2 spot behind racing, the first time in 16 years baseball has not been runner-up.

Football's attendance soared 2,057,477 to 35,955,219 based on increases in attendance at college games of 610 schools, National and American League games and postseason contests, college and pro.

Basketball attracted the fourth largest number of people — 22,010,016, an increase of 2,315,968 from 1966.

Baseball's attendance drop was a sudden reversal from the

previous two years when it climbed more than 3½ million fans in the 24 months.

After surpassing the 15 million mark in 1966, the National League drew 12,971,430 last season. The Los Angeles Dodgers alone plummeted nearly one million at the gate. Boston's increase of more than 900,000 helped the American League finish with an increase of 1,170,185.

An increase of 1,154,740 who watched college games led football's advance. Pro football filled its stadiums to 90 per cent capacity with the NFL drawing 604,316 more fans and the AFL 135,328 more.

The survey also cited figures from Broadcast Magazine showing that radio and television networks paid out a record \$48,810,215 in 1967 for broadcast rights to the games of the 25 pro teams and 124 colleges. That was an increase of \$2,705,010 from 1966.

The Morning Telegraph and Daily Racing Form said the survey included only the major organized sports and does not attempt to list attendance figures for high school basketball games, softball games, school hockey, etc. It said these figures were unobtainable.

## LEGAL NOTICES

ORDINANCE NO. 506  
AN ORDINANCE TO AMEND  
ORDINANCE 496 ENTITLED  
"THE ESCANABA HOUSING  
CODE" ENACTED OCTOBER  
10, 1967, AND TO REPEAL ALL  
ORDINANCES OR PARTS OF  
ORDINANCES IN CONFLICT  
HEREWITH.

CHAPTER 1  
AMENDMENTS

Section 101. Section 3.2 is hereby amended by deleting the words "except as otherwise permitted under Subsection 3.4."

Section 102. Section 3.3 is hereby amended by deleting the words "except as otherwise permitted under Subsection 3.4."

Section 103. Section 3.4 is hereby repealed.

Section 104. Section 4.2 is hereby amended by deleting the words "used for sleeping and/or cooking purposes" and by changing the total operable window area from "20 percent" to "5 percent."

Said amendment to read as follows: "Every habitable room shall have at least one window or skylight which can easily be opened, or such other device as will adequately ventilate the room. The total operable window area in every such room shall be equal to at least 5 percent of the floor area, as required in Section 6 of this ordinance, except where there is supplied some other device affording adequate ventilation and approved by the Authorized Inspector."

Section 105. Section 6.2 is hereby amended by deleting the words "square feet of floor space" and changed to read "70 square feet of floor space" and shall contain at least 30 additional square feet "shall be amended to read "shall contain at least 50 additional square feet."

Section 106. Section 6.2 is hereby amended by deleting the words "square feet of floor space" and changed to read "70 square feet of floor space" and shall contain at least 30 additional square feet "shall be amended to read "shall contain at least 50 additional square feet."

Section 107. Section 8.8 is amended by deleting the words "square feet of floor space" and changed to read "70 square feet of floor space" and shall contain at least 30 additional square feet "shall be amended to read "shall contain at least 50 additional square feet."

Section 108. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 109. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 110. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 111. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 112. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 113. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 114. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 115. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 116. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 117. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 118. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 119. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 120. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 121. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 122. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 123. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 124. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 125. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 126. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 127. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 128. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 129. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 130. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 131. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 132. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 133. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 134. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

Section 135. Section 2.21 is hereby amended by adding the sentence "This ordinance shall be in full force and effect ten days after its passage and publication."

## Detroit Edison Hires Professor

DETROIT (AP) — Dr. James P. McCormick of suburban Highland Park, vice president for student affairs and professor of English at Wayne State University, has been named vice president for educational affairs of the Detroit Edison Co. McCormick had been a member of the WSU faculty since 1938.

## Western Plans Study In Russia

KALAMAZOO (AP) — A 35-day seminar in Russia with visits to eight Soviet cities is planned for the summer of 1969 under the direction of Dr. A. Edythe Mangle, professor of history at Western Michigan University. Designed for university and college students and younger teachers, the seminar will offer time for independent travel and college credit. A knowledge of the Russian language is not necessary for the seminar, Dr. Mangle said.

## Forensics Honor

HOLLAND (AP)—M. Harold Mikle, associate professor of speech and director of forensics at Hope College, was elected governor of the Province of the Lakes, a four-state area including 30 chapters of Pi Kappa Delta, a national honorary forensics fraternity.

## Home Sought For Ivan The Bear

CADILLAC (AP) — A bear in the cage is worth two in the woods, but not to Tom Harris. Harris, owner of a Cadillac service station, is trying to get rid of a 500 - pound Canadian Black Bear named Ivan.

He wants Ivan's cage for three bear cubs he acquired Friday. Harris says he has spent \$25 in telephone calls to nearly every zoo in Michigan, but has not found anyone who wants Ivan.

## King Campaign Gains Support

WASHINGTON (AP) — Organizers of Dr. Martin Luther King Jr.'s Poor People's Campaign in Washington say they've been flooded by offers of support since the April 4 assassination of King.

"It brought an increase in the number of volunteers, particularly from the black community. Fifty per cent, I'd say," reported Anthony Henry, chief Washington organizer.

"Also a larger number of organizations are willing to release staff people full time to work with us."

Henry's storefront office, in the middle of an area that saw heavy destruction during rioting in Washington that followed the assassination, was much busier and more crowded than it had been a month ago.

Committee chairmen who four weeks ago were in desperate need of volunteers were loaning people to other committees.

"I have a volunteer who's on strike at the telephone company," one young man announced. "Can anybody use him?" He was sent immediately to deliver literature.

There is only one week left before the campaign is to begin its scheduled starting date of April 29 set back only one week from Dr. King's April 22 timetable.

Poor people are not scheduled to begin marching to the capital in large numbers until May 2, when a symbolic group will leave from Memphis, Tenn., where King was slain.

## GM Will Supply Rifles For U.S.

WASHINGTON (AP) — General Motors Corp.'s hydramatic division in Ypsilanti, Mich., has been selected as an additional supplier of the controversial M16 rifles and will receive a \$56 million contract to produce the weapons for the Defense Department, congressional sources said.

In addition, Harrington and Richardson Inc., of Worcester, Mass., is to be awarded a \$30 million contract to produce the rifles.

Up to now, Colt Inc. of Hartford, Conn., has been the only manufacturer of the rifles.

Word of the move came from the offices of Sen. Philip A. Hart, D-Mich., and Rep. Philip J. Philbin, D-Mass.

The GM contract calls for production of 240,000 rifles over the next two-year period, Hart's office said.

Harrington and Richardson will hire more than 300 additional employees to fill its contract, Philbin said.

**Supply Vietnamese**  
The action marked an important step in the program to expand output to modernize the South Vietnamese Army, equip allied armies in South Vietnam

and bolster U.S. military forces around the world.

The M16 has been criticized in the past for a tendency to jam, but the Army contends the problem has largely been overcome through changes in the propellant and through modifications of the weapon.

Harrington and Richardson received a \$15 million contract for first year production of 60,000 rifles and a possible second year procurement of 180,000 M16s for about \$27 million.

**Differences In Wages**  
The General Motors subsidiary received a \$19 million contract for first year production of 60,000 rifles, with a second year procurement of 180,000 possible at a price of \$37 million.

The Army attributed the \$14 million difference in over-all price between Harrington and Richardson and the General Motors subsidiary in part to "considerably higher" wage scales in Detroit than in Worcester.

It was stressed that the prices are ceiling figures subject to downward negotiation.

Congress was notified the second year purchase would be made "provided funds are made available and the requirement still exists."

A total of 700,000 M16s have been produced by Colt's so far, with another 285,000 of the rifles still to be delivered.

**Speed Production**  
The army expects Colt's to step up its monthly production of 30,000 to a total of 50,000 by June.

Harrington and Richardson and Hydramatic are due to reach a production rate of 25,000 a month each by November 1969.

There are now more than 252,000 of the lightweight rifles in Vietnam. All U. S. combat elements and some support elements have them, the Army said.

In addition, the South Vietnamese Regular Army has been getting the new weapons.

### Rock

#### Return Home

Mr. and Mrs. Allen Salmi have returned to Clarkston and Mr. and Mrs. Robert Salmi to Saginaw after visiting with Mr. and Mrs. Wayne Salmi and other relatives here.

#### Camping Trip

A three day camping trip was enjoyed by the Rock Boy Scouts and their scoutmaster, Lyle Trombly at Garth Point recently. Participating were, Mark Wilcox, John Peltonen, Kim Carlson, Craig Westlund, Dave Tavis, Robert and Eddie Wadeen and Kim Carlson.

Guests at the Leo Kanerva home over the weekend were Mr. and Mrs. Don Mattson and family of Romulus.

#### Attend Picnic

Attending a picnic held at North Mountain Park in Arizona recently were the following former Rock residents and some who spend the winter in Arizona: Mr. and Mrs. Jay Huff, Mr. and Mrs. Paul Seppanen, Mr. and Mrs. Norman Neveau, Mrs. Arvid Mustonen Sr., Mr. and Mrs. Arvid Mustonen Jr., Mr. and Mrs. Clinton Fosterling, Delbert Seppanen, and Mr. and Mrs. William Godel.

#### Easter Guests

Spending the Easter weekend at the Albert Norden and Onni Johnson homes were Mr. and Mrs. James Carlson and family of Kenosha, Wis., Mr. and Mrs. Roy Curtis and family, Mr. and Mrs. Bill Norden, Mr. and Mrs. Richard Norden and family and Mr. and Mrs. Roy Ackerman and Sharon of Waukegan, Ill., and PFC. and Mrs. Larry Johnson. Larry has a 30 day leave from Fort Benning, Ga.

## Skin Specialist Shows How to Rinse Away Blackheads

Fast, Easy Treatment now available for home use!

By INA LEE

NEW YORK, N.Y. — A leading New York dermatologist has developed a simple medicated home treatment that rinses away blackheads and white heads in a matter of minutes. I saw it demonstrated recently on five women and two teenage boys.

The results were almost breath-taking. Blackheads really rinsed away. In fact, many could be seen on the cleansing tissues that finished each treatment.

But this wasn't all! In the case of two older women, I saw enlarged pores reduced, and rough, muddy complexions made cleaner, clearer and smoother looking. In the case of teen-agers, I saw acne pimples improve after one application . . . After seeing these results, I can well understand why so many beauticians are now acclaiming this doctor's treatment as one of the most important beauty discoveries.

**Anyone Can Use It**  
The treatment starts with a thorough skin cleansing. A special laboratory-developed whipped cleansing cream is used that takes off not only surface dirt, but also softens and loosens pore-caked grime with its emollient action. It liquefies as soon as it is applied and literally floats the dirt right off your face.

After this is rinsed off, a delightful mint-scented cream is applied. Within 2 or 3 minutes an absorbing agent called Argilla

dries and turns this specially medicated cream into a plastic-like masque. As it firms and hardens, its suction action draws on waste matter in the pores. . . . In 8 or 10 minutes you simply rinse the masque away with lukewarm water which dissolves it immediately. When you wipe your face, you can see blackheads and other pore "filler" actually come off on your tissue. And your skin feels clean — really clean — and refreshed and smooth, like velvet!

**Pore Sponging and Closing**  
The third step in the treatment is an exhilarating application of a unique antiseptic astringent — a facial "mint julep" that sponges and tightens emptied pores and leaves a protective invisible film that helps guard your skin against dust, dirt and bacteria for hours and hours.

**Nothing Else Like It**  
Even after a single treatment, women who have been troubled by blackheads for years see a marked improvement. Many find it hard to believe their eyes. Some blackheads and whiteheads just rinse away. Others are softened and

Richard Estrin of Queen Helene

made ready to be drawn out by future treatments. Enlarged pores appear to be smaller. The skin looks smoother and firmer — feels fresher & more alive!

In short, after a single treatment taking only 15 minutes, you can expect to see results that normally you would not dare hope for even after many weeks . . . but don't expect everything at once. Damage done by years of neglect can't be undone in a day. Yet with 3 or 4 treatments a week, you may confidently look forward to startling complexion improvements within 30 days. Then one treatment a week — or every second week — will probably be all your skin will need to keep it clear, lovely & healthy looking.

The medically developed products used in this treatment are manufactured & quality-controlled by QUEEN HELENE. They are Queen Helene Whipped Cleansing Cream, Queen Helene Medicated Masque and Queen Helene Penetrating Astringent. The three items are sold as complete skin and beauty kit for 3.98. Quite a bargain when you think of what it will do for a person's good looks — and self-esteem!

TRY THE TISSUE TEST! First wash face thoroughly, then apply treatment: tissue off . . . Now you can see . . . tiny specks of black on your tissue that were once ugly blackheads and imbedded pore dirt.

1. First apply Queen Helene Whipped Cleansing Cream. This liquefies instantly on your skin and softens pore-caked dirt with its rapid emollient action. You tissue off all but a thin film which prepares your face for the masque.
2. Now smooth on the Queen Helene Medicated Masque. As the absorbing agent, Argilla, in this plastic-like cream makes it harden into a masque, its powerful drawing action gently pulls out blackheads and other pore impurities.
3. After about 8 or 10 minutes, rinse off the masque with lukewarm water. It dissolves in seconds. Then apply Queen Helene Mint Julep Astringent — a special penetrating antiseptic that helps close emptied pores, tones up your complexion, and gives protection against dirt and bacteria for hours.

An exciting announcement from

## The Fair Store

See Blackheads Go in 15 Minutes-Or No Cost! they just rinse away!

1. APPLY QUEEN HELENE WHIPPED CLEANSING CREAM. It liquefies instantly on skin and floats out dirt with emollient action. Wipes off with cleansing tissue.
2. APPLY QUEEN HELENE MASQUE. As masque tightens and hardens, drawing action of special absorbing agent draws out blackheads and other pore impurities.
3. After rinsing off masque, FINISH WITH QUEEN HELENE PENETRATING ASTRINGENT, to help close "emptied" pores and tone up complexion.

all these items 3.98 (Enough for 42 treatments)

Economical size 5.95

**RESULTS ARE GUARANTEED**  
Examine your face before and after treatment. You should see a startling difference. Some of the blackheads should be gone and others loosened for removal by future treatments. These results are guaranteed or your money will be refunded.
